Assignment of Rights to Other Benefits:

For AHCCCS Medical Assistance:

I understand that if I am or members of my household are approved for Medical Assistance, AHCCCS can collect payment from any other parties who may be responsible for paying for my/our health costs. This includes:

- Private or employer-sponsored health insurance (not including Medicare)
- Persons, such as an absent spouse or parent, who are legally responsible for providing medical support
- Private or employer-sponsored disability insurance
- Private or employer-sponsored accident insurance
- Insurance claims, jury awards, or legal settlements resulting from injuries

I understand that AHCCCS cannot collect more than the costs paid by AHCCCS. I also understand that I must give information about other responsible parties and take any action needed to receive medical support. This includes establishing paternity of my children, unless I can prove good cause not to do so.

I understand that DES and/or AHCCCS and/or their contractors will release information to DES/Division of Child Support Services (DCSS) for a parent who does not live in the home and whose child has AHCCCS or private health insurance. DCSS may use this information to get a medical support order.

For Cash Assistance:

State and federal law (A.R.S. 46-407) provide that the legal rights to child support and spousal maintenance must be assigned to the State of Arizona for all persons receiving Cash Assistance. I understand:

- While receiving Cash Assistance, the State has the right to keep child support or spousal maintenance collections, including support or spousal maintenance that was owed while Cash Assistance was paid.

- When Cash Assistance stops, current support payments will be paid to me. The state may continue to collect any assigned back payments for support (assigned arrears) owed before and during the time I received Cash Assistance.
- Child support payments will be used to pay back the state for Cash Assistance paid to me or anyone on my application.
- The State will not keep more from my collected current support or assigned arrears than the total amount of Cash Assistance I received.
- Also the State will not keep any arrears that are more than the total amount of Cash Assistance I received.
