The Honorable Andy Tobin
Speaker of the House of Representatives
Arizona State House of Representatives
1700 West Washington
Phoenix, Arizona 85007

Dear Speaker Tobin:

Pursuant to Laws 2010, 7th Special Session, Chapter 1, Section 30, the Department of Economic Security submits its Monthly Financial Status Report for fiscal year 2011 through the thirteenth month:

A monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals shall be forwarded to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee by the thirtieth of the following month. The report shall include an estimate of (1) potential shortfalls in entitlement programs, and (2) potential federal and other funds, such as the statewide assessment for indirect costs, and any projected surplus in state supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

The Department understands that spending reductions during the fiscal year were required to help balance the state budget in light of a revenue shortfall, Arizona voters rejecting two ballot propositions in November, and federal budget changes affecting states regarding Medicaid matching. It is important to note that the Department opted to not include in its fiscal year 2011 budget plan the \$40 million increase that it would have received had the voters approved the proposition to repeal the Early Childhood Development and Health Board. Since the Department's spending plan did not include that \$40 million in funding, the failure of the proposition does not, by itself, result in further service reductions than have already been implemented; however, the Department also recognizes that the rejection of the proposition contributed to the state's budget shortfall.

The budget enacted on April 6 contained supplemental changes to the Department's fiscal year 2011 budget, including a reduction of \$24,969,200 to the Cash Assistance program and a \$10,000,000 reduction to the Child Care program. These changes account for the savings generated by the surplus appropriations that had been shown in the detail of total expenditures in prior months as well as additional savings to the state. In addition to those reductions, the budget also contained a \$6,000,000 General Fund reduction in the Adult Services program, which the Department has backfilled with available Social Services Block Grant money, and a \$15,000,000 reduction to the Division of Children, Youth and Families, which was offset with an additional TANF appropriation. All of these fiscal year 2011 supplemental funding changes are reflected in this report.

In May 2011, the Department notified the Joint Legislative Budget Committee of its intent to spend \$8 million in Workforce Investment Act Grant funds in fiscal year 2011 to resolve a shortfall in the WIA Grant Special Line Items (SLIs). The additional spending was necessary as a result of the continued sluggishness of the state's economy, which has led to sustained high demand for workforce and employment-related services during the fiscal year. The additional WIA funds were made available by the American Recovery and Reinvestment Act of 2009.

As the fiscal year has come to a close, this report reflects year-end appropriation shifts that have eliminated the surpluses and shortfalls reflected in the May report. These shifts were needed due to the realignment of funding sources necessary to implement both the fiscal year 2011 budget reductions and changes to the Department's payment deferral appropriation as well as fund the on-going needs of the Department's programs.

In addition to the issues above, the Department also faces the loss of the population supplemental for the TANF Block Grant in fiscal year 2012. When TANF was created, supplemental funding in addition to the base block grant was made available to seventeen states with rapid population growth. This funding provision expired on June 30, 2011. Arizona's population supplemental in state fiscal year 2011 was about \$21.8 million. While this issue did not affect the Department's budget in fiscal year 2011, if the population supplemental is not renewed in the federal budget, and it does not appear likely that it will be at this time, the Department estimates a structural shortfall in TANF-funded programs of approximately \$40 million in fiscal year 2013 and beyond. There would also likely be cash flow issues in fiscal year 2012.

The detailed comparison of total expenditures for the month and year-to-date as compared to prior year totals is attached. If you have any questions, please contact Michael Wisheart, Chief Financial Officer, at (602) 542-3786.

Sincerely,

Clarence H. Carter
Director

Temporary Assistance for Needy Families (TANF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development Fund (CCDF). The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Child Care Development Fund (CCDF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in CYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Enforcement was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the ERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the ACS budget.

Program Description:

The Division of Developmental Disabilities (DD) program provides services to individuals with mental retardation, cerebral palsy, autism, or epilepsy. Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.

Arizona Health Care Cost Containment System (AHCCCS):

Through an intergovernmental agreement with Arizona Health Care Cost Containment System (AHCCCS), the Department of Economic Security performs eligibility determinations for the AHCCCS Acute Care Program, disability entitlement for the Arizona Long-Term Care System and the Federal Emergency Services program, and screens all individuals with developmental disabilities before they enter the Long-Term Care program to determine the appropriate level and types of specialized services needed. The Department also determines AHCCCS eligibility in the federal SOBRA program for pregnant women and children and other Medical Assistance Only (MAO) programs.
