Arizona Statewide Independent Living Council

Centers for Independent Living are consumer-controlled, community-based, non-profit corporations that provide programs and services for people with all types of disabilities and their families.

Centers for Independent Living also serve as a strong advocacy voice on a wide range of national, state, and local issues. They work to assure physical and programmatic access to housing, employment, transportation, communities, recreational facilities, and health and social services for people with disabilities to fully participate in an integrated community and search for the possibilities to live as they choose. Many CILs offer a wide range of programs and services.

Tobacco Cessation

One of the most important ways you can improve your health is to stop smoking. You can get help with quitting. Talk to your doctor. The Arizona Smoker's Helpline (ASHLine) can also help you with quitting. ASHLine can give you information about programs and services.

You can call **ASHLine** at 800-556-6222 (TTY/TDD 711) or visit <https://www.azdhs.gov/ashline/>.

ASHLine Quit Coaching is a free smoking cessation program that helps people quit any kind of tobacco. A Quit Coach helps and encourages you through every stage of quitting. Need Help Now? Call 800-556-6222 or go to <https://www.azdhs.gov/ashline/>.

The American Lung Association's, "Freedom from Smoking" program is a proven way to quit smoking, even if you've tried before and went back to smoking. Call 800-586-4872 or visit www.freedomfromsmoking.org/. You will be able to share your experiences with others going through the same thing in our online community support group. Get live support from the quit-smoking specialists at the Lung HelpLine at: www.freedomfromsmoking.org/lung-helpline/.

For more information on Tobacco Free Arizona, visit <https://www.azdhs.gov/prevention/chronic-disease/tobacco-free-az/index.php> or call 1-800-556-6222.
