

ADDITIONAL INFORMATION FOR SNAP RECIPIENTS

USING YOUR ARIZONA EBT QUEST CARD

There is no minimum amount you have to spend to use your card. You can use your card as much as you want as long as there are benefits left in your account.

Keep your paper receipt. It will show the amount, date and time of your purchase or return, the store name and location, the transaction type, your remaining balance, and part of your card number.

KEEP YOUR CARD SAFE

- Your EBT card never expires, so keep your card safe and secure like you would any debit or credit card
- To protect your card balance from being stolen in between visits to the store you can temporarily freeze your card until you are ready to use it again through any ebtEDGE contact option
- Block out-of-state transactions
- Block internet transactions

PROTECT YOUR PIN

- Keep your PIN secret
- Changing your PIN through the ebtEDGE contact options the day before you get your benefits every month can prevent skimmers from stealing your PIN and benefits

ALTERNATE CARDHOLDER

You may choose a person, called an Alternate Cardholder, to get your benefits for you. If you need an Alternate Cardholder, choose a person you trust. Remember, lost or stolen benefits will not be replaced.

WHAT IF I DO NOT WANT TO USE ALL MY BENEFITS IN ONE MONTH?

The benefits you do not use stay in your Arizona EBT account until you use them. However, if you do not use your SNAP benefits at least once during a 9 month period, those benefits will be removed from your account for inactive use.

REPORT FRAUD!

Be part of the solution, if you suspect someone of misusing or trafficking their EBT benefits report it. All reports can be submitted anonymously.
