## Title XX Social Services Block Grant Plan

July 1, 2017 – June 30, 2018

### Introduction

This document provides information on the types of activities supported and the categories or characteristics of individuals served under the provisions of the Omnibus Budget Reconciliation Act of 1981, Public Law 97-35, Subtitle C - Block Grants for Social Services, which amends Title XX of the Social Security Act. The Arizona Department of Economic Security (DES) under the statutory provisions of the law administers the Arizona Social Services Block Grant (SSBG) Plan (the Plan).

The program period covered corresponds to the State Fiscal Year (SFY) 2018, which begins on July 1, 2017, and ends June 30, 2018. SFY 2018 overlaps portions of Federal Fiscal Year (FFY) 2017 and FFY 2018, which run from October 1 through September 30.

### SSBG Planning Level

The specific formula used to estimate the amount of federal SSBG funds that are available for funding the planned services during Arizona's SFY 2018 is calculated from one-fourth of Arizona's FFY 2017 estimated allocation and three-fourths of Arizona's estimated FFY 2018 allocation. Since the actual allotment available to Arizona is determined pursuant to Congressional and Presidential approval, the services and planning levels identified are estimates. An amount of \$20,014,130 Temporary Assistance to Needy Families (TANF) Block Grant funds projected to be transferred to the SFY 2018 SSBG is included in the Plan in addition to the SFY 2017 estimated SSBG funding level of \$32,749,900 for a total combined planning level of \$52,764,030.

The planned SFY 2018 expenditures are detailed on spreadsheets that begin on page 29 of the Plan. Spreadsheets are displayed for the Arizona Department of Child Safety (DCS) and each of the DES Administrations/Divisions that plan to use SSBG funding for SFY 2018. The spreadsheets show the Services, Target Group(s), Status Eligibility, and Funding for each of the Locally Planned and State Planned SSBG services. This format allows DES, the Department of Child Safety (DCS), local entities, and the U.S. Department of Health and Human Services (DHHS) to see the planned uses for SSBG funds.

### TANF Block Grant Funds Transferred to the SSBG

Laws 2016, Chapter 117, Section 24 allows up to ten percent of TANF Block Grant funds to be transferred to SSBG for Children Services funding. The Department is estimating a transfer of \$20,014,130 of TANF funds for Children's Services which is below ten percent of TANF Block Grant funds in accordance with the Arizona statute.

## **SSBG Service Goals**

The mission of DES is to make Arizona stronger by helping Arizonans reach their potential through temporary assistance for those in need, and care for the vulnerable. The DES vision is opportunity, assistance and care for Arizonans in need. The goals of DES are to: serve Arizonans with integrity, humility and kindness; support Arizonans to reach their potential through social services that train, rehabilitate, and connect them with job creators; provide temporary assistance to Arizonans in need while they work toward greater self-sufficiency; provide children with food, health care, and parental financial support; provide services to individuals with disabilities; and protect the vulnerable by investigating allegations of abuse, neglect and exploitation.

With the implementation of SSBG, DES was designated by the Governor as the administering agency. Among the programs funded by SSBG are services to children. These services are provided both by private agencies under contract and directly by the State. On May 29, 2014, A.R.S. § 8-451 established DCS with the primary purpose of protecting children. DCS is comprised of the State Child Welfare Program previously administered by DES, including Child Protective Services, Foster Care, Adoption, the Comprehensive Medical and Dental Program, and the Office of Child Welfare Investigations. Recognizing each Department's desire to do comprehensive planning for its populations, DES and DCS developed and signed an agreement governing the administration of the Social Services Block Grant.

Arizona's SSBG-funded services will be directed toward one or more of the following federal goals:

- I. Achieve or maintain economic self-support to prevent, reduce, or eliminate dependency;
- II. Achieve or maintain self-sufficiency, including reduction or prevention of dependency;
- III. Prevent or remedy neglect, abuse, or exploitation of children and adults unable to protect their own interests or preserving, rehabilitating, or reunifying families;
- IV. Prevent or reduce inappropriate institutional care by providing for community-based care, home-based care, or other forms of less intensive care; and
- V. Secure referral or admission for institutional care when other forms of care are not appropriate or providing services to individuals in institutions.

The goals of DES, the purpose of DCS, and the five federal SSBG goals are very much aligned particularly in the areas of achieving or maintaining economic self-support to prevent, reduce, or eliminate dependency and preventing and remedying neglect, abuse, or exploitation of children and adults unable to protect their own interests or preserving, rehabilitating, or reunifying families.

## **Evaluation**

The appropriate administrations within DES and DCS contracting for services funded by the SSBG have the responsibility of monitoring and evaluating the social service programs funded by the SSBG.

## **Reporting on Activities Funded**

DES will prepare a report on activities carried out with funds allocated in the Plan. The report may be used to determine the extent to which funds were spent in a manner consistent with the Plan. The *Annual Report of Services Funded by the Social Services Block Grant for Fiscal Year 2018* will be available to the public after January 1, 2019. To obtain copies of this report, direct your request to the contact person at the telephone number or mailing address listed on page five of this Plan.

## **SSBG Planning Process**

DES is responsible for planning and developing the Plan. This includes acquiring input from local planning bodies and tribal entities for locally planned SSBG services. Planning for the use of the available SSBG funds is accomplished as a part of the DES and DCS annual budget development process.

## **State Planned Services**

The state level entities participating in Arizona's SSBG planning and reporting process are:

- DCS
- DES Child Care Administration (CCA)
- DES Division of Aging and Adult Services (DAAS)
- DES Division of Business and Finance (DBF)
- DES Division of Developmental Disabilities (DDD)
- DES Workforce Administration (WA)
- DES Rehabilitation Services Administration (RSA)

These entities perform statewide planning activities by coordinating with similar and related programs of other state and local agencies, producing planning documents, fulfilling all federal statutory responsibilities accompanying the administration of programs, and involving local planning agencies in the development of a coordinated planning effort and review of local priorities for incorporation into statewide planning products.

## **Locally Planned Services**

A significant amount of SSBG services are provided primarily through local service-delivery systems contracted by DES and DCS to augment state services and to respond to local needs.

Arizona's six Councils of Governments (COGs) are invited to act as a conduit for local input into this portion of the SSBG service-delivery system. The method for obtaining local input varies by COG region and typically includes using broad-based planning committee(s) to identify regional priorities for the use of locally planned funds. The following chart indicates the distribution of the allocation for locally planned services by COG region.

<b>COUNCILS OF GOVERNMENTS</b>	<b>LOCAL PLANNED SERVICES ALLOCATION</b>
Maricopa Association of Governments	\$3,456,125

<b>TOTAL</b>	<b>\$6,318,673</b>

### **Arizona Tribal Entities**

Tribal nations within Arizona have been established as separate SSBG Planning and Services areas. Technical assistance is provided to tribal nations, upon request, by DES.

Each participating tribal nation provides a recommendation for the use of a portion of the state's SSBG allocation within their tribal area. The chart below indicates the planned allocations, target group and services for each tribal services area.

Tribal planned services may be contracted with each tribal government for the amount shown. Specific services and eligibility criteria are determined during the contracting process and are not designated in this Plan.

### **Geographic Areas**

The regional areas for which services are planned are identified on the map on page six. The Plan spreadsheets further delineate many services to the county level.

### **Financial Operations System**

Arizona uses a federally approved cost allocation plan. DES is responsible for administering a wide variety of grants and therefore utilizes multiple methods to assign costs. Indirect costs are typically assigned using Modified Total Direct Costs methodology. Other methods of assigning costs include Random Moment Samples, caseload counts, square footage, number of Full Time Equivalent Employees, and machine hours for client and administrative systems.

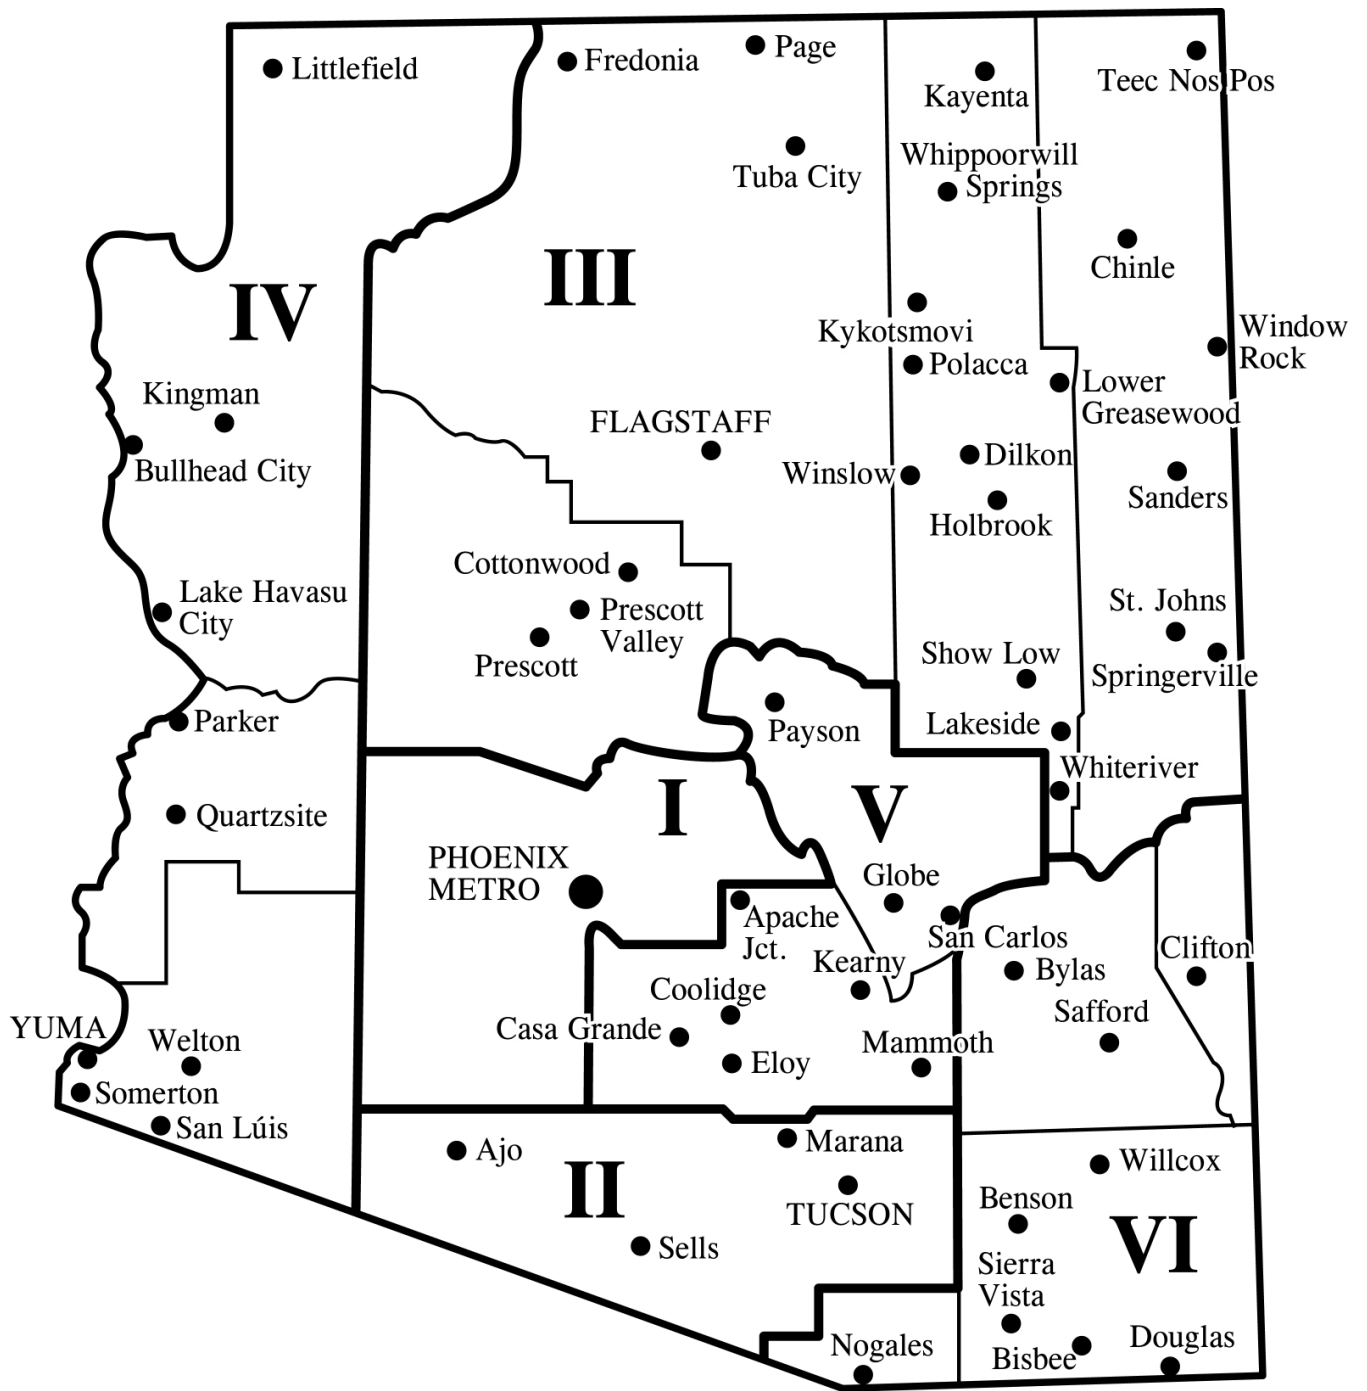

### **Proof of Audit**

In accordance with 42 U.S.C. § 1397(e), the Single Audit Report for year ending June 30, 2015, was performed by the State of Arizona, Office of the Auditor General and submitted to the Arizona State Legislature June 6, 2016.

### **Public Comment and Review**

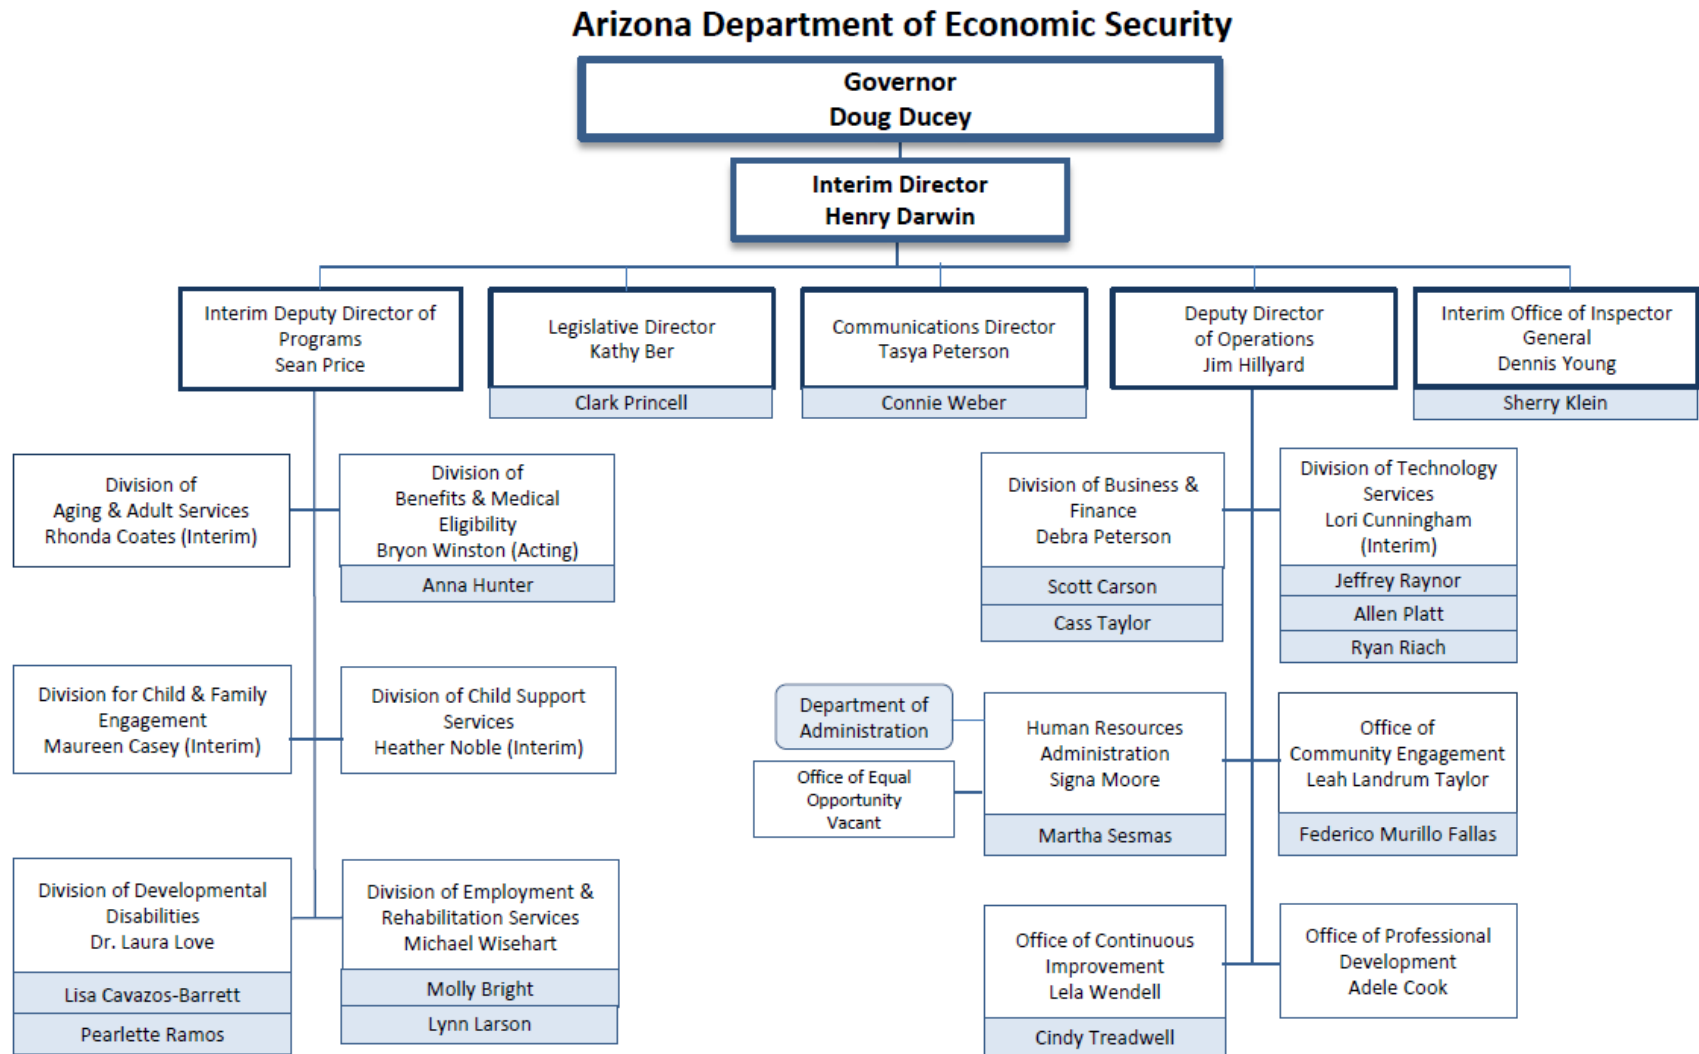

The proposed Arizona State Fiscal Year 2018 SSBG Plan was made available to the public, local planning agencies and tribal entities for review and comment. A public notice was posted on the DES Internet website on March 15, 2017, requesting public comment. Please refer to Appendix A for a copy of the public notice. ## **Plan Amendment**

The Plan may be revised throughout the year as necessary to reflect substantial changes in the activities provided that affect the overall intent of the Plan. Any substantive revisions will be made available for public review and comment from interested persons and federal and public agencies.

Service needs and program decisions may make it necessary to add services or make changes in eligibility, geographic and service availability, or the target group to which the service may be directed. These changes may be made in the DES' contracting process or direct service-delivery process without modifying the Plan.

### **Service Availability**

The Services, Target Group Eligibility, and Status Eligibility sections are identified below and provide the primary basis for determining eligibility for service. In addition to these areas, service availability will be determined on the basis of programmatic need for service. More specific service availability criteria may be specified in the purchase-of-service contracts with provider agencies. An individual who is determined to be eligible under the above criteria shall not be denied access to services because of any other condition, although providers may use waiting lists and/or set priorities for services based on level of need for the service.

#### **A. Services**

This column lists the services available in the geographic area. Eligibility for service may vary from one geographic area to another, and services may only be available in certain areas of the state. Some services may be identified as being available on a statewide basis.

#### **B. Target Group Eligibility**

This column identifies the types of individuals eligible for service. The most common target groups identified are adults, children, elderly, persons with disabilities, developmentally disabled, and adults/families/children. The definitions of these target groups are identified on page 27. Combinations of target groups may be identified (e.g., elderly persons with disabilities would be designated as "ELD/PWD"). Also, there may be characteristics added to the target groups (e.g., ELD/PWD/Blind) that further clarify availability of service.

#### **C. Status Eligibility**

This column identifies the financial category for which individuals must qualify in order to be eligible for service. Except as noted below, Arizona does not require a means test for SSBG-funded services. Children and their families who receive services that are funded with TANF funds transferred to the SSBG must have incomes less than 200 percent of the Federal Poverty Level (FPL). Families receiving child care assistance must meet income requirements specified.

1. **Income Eligibility TANF/SSBG Funds** - Services funded by TANF funds transferred to SSBG are delivered in accordance with the requirements of 42 U.S.C. Part A, Title IV, Sec. 404, (d) (3) (B), which reads:

EXCEPTION RELATING TO TITLE XX PROGRAMS. All amounts paid to a State under this part that are used to carry out State programs pursuant to Title XX shall be used only for programs and services to children or their families whose income is less than 200 percent of the income official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 673(2) of the Omnibus Budget Reconciliation Act of 1981) applicable to a family of the size involved.

2. **Income Eligibility Child Care** - The Child Care Administration provides child care assistance to support working families with incomes at or below 165 percent of the FPL at the time of application determination. Once determined eligible, the families can remain eligible until the next redetermination takes place as long as all other eligibility criteria are met, unless the income exceeds 85 percent of State Median Income. Families referred by DCS, children receiving DCS foster care, and families who are receiving cash assistance and are participating in the Workforce Administration-Jobs program and/or who are employed receive services without regard to income and are not subject to a waiting list. Families transitioning off of the TANF cash assistance program must have incomes at or below 165 percent of the FPL; however, these families are not subject to a waiting list. Another group of families who are not subject to a waiting list are those who are residing in a homeless/domestic violence shelter. When a waiting list is in place, working families, whose incomes are at or below 100 percent of the FPL, are given priority for any subsequent releases of families into service.
3. **Group** - All individuals within a specific target group are financially eligible.
4. **Homeless** - Individuals who have been evicted from a residence, who are residing in an emergency shelter, or who are without a regular nighttime residence and who are without family or friends that are able or willing to share their residence.

#### **D. Local and State-Planned Levels**

These columns represent estimates of the federal dollars that may be utilized for the delivery of the services.

## CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

### Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

*Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

*Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of

the federal or state criminal drug statutes;

*Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

*Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

#### Certification Regarding Drug-Free Workplace Requirements Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
  - (b) Establishing an ongoing drug-free awareness program to inform employees about --
    - (1) The dangers of drug abuse in the workplace;
    - (2) The grantee's policy of maintaining a drug-free workplace;
    - (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
    - (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
  - (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
  - (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
    - (1) Abide by the terms of the statement; and
    - (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
  - (e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
  - (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted --
    - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
    - (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
  - (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
- (B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

---

---

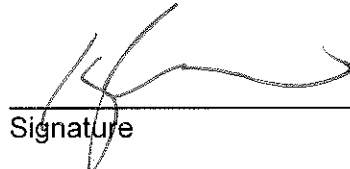

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

## **CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS**

### **Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions**

#### **Instructions for Certification**

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

#### Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

(1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;

(b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

#### Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, [[Page 33043]] should the proposed covered transaction be entered into, it shall not knowingly enter

into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

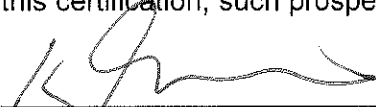

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

**Certification Regarding Debarment, Suspension, Ineligibility an Voluntary Exclusion--Lower Tier Covered Transactions**

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
