The Honorable John Kavanagh, Chairman  
Appropriations Committee  
Arizona State Senate  
1700 West Washington Street  
Phoenix, Arizona 85007

Dear Representative Livingston and Senator Kavanagh:

Pursuant to Laws 2018, 2nd Regular Session, Chapter 276, Section 28, the Arizona Department of Economic Security (ADES) submits its Monthly Financial Status Report for fiscal year 2019 through August:

The department of economic security shall forward a monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

ADES recognizes the importance of maintaining its focus on fiscal stewardship over public resources used to provide ADES services. The Department is successfully using the Arizona Management System to identify and implement process optimization initiatives to maximize resources.

The Arizona Long Term Care System (ALTCS) continues to experience member growth of 4.5 percent this fiscal year, in line with historical trends. The fiscal year 2019 budget includes funding for this as well as increases to the per member per month cost.

The approval of Proposition 206, or the Fair Wages and Healthy Families Act, continues to have significant impacts to the developmental disabilities' provider community. In response, the fiscal year 2019 budget provides a permanent appropriation increase of \$3.9 million from the general fund and one-time funding of \$11 million from the General Fund to help address minimum wage.. ADES will continue to coordinate with the Governor, Legislature, the Arizona Health Care Cost Containment System (AHCCCS) and stakeholders to address the ongoing needs of the developmental disabilities community.

The fiscal year 2019 budget also includes one-time funding of \$1.2 million to the Area Agencies on Aging to provide non-medical home and community-based services for older individuals, including day health

care, congregate and home-delivered meals, respite care, and other services to promote independent living. These services help to prevent higher costs associated with increased Adult Protective Service (APS) interventions and the need for Medicaid-funded nursing homes.

The number of new APS reports has increased 17% in fiscal year 2018, necessitating additional staff to ensure an appropriate level of service to this vulnerable population. ADES continues to partner with the Arizona Department of Public Safety to utilize the Federal Victim of Crimes Act (VOCA) funding to address this growth. The Department continues to implement process improvement strategies through the Arizona Management System to improve performance and identify efficiencies in the investigation process. These efficiencies have resulted in a dramatic improvement in the number of APS cases aged less than 90 days.

On March 23, 2018, the federal government enacted an omnibus spending bill establishing funding levels through September 30, 2018. Most discretionary programs experienced modest decreases aside from the federal Child Care and Development Block Grant (CCDBG) which received a \$2.4 billion increase from federal fiscal year 2017 levels. As a result of this increased funding Arizona was allocated an additional \$56 million of CCDBG funding. In response to this, the Department has submitted a supplemental request for additional appropriation authority to utilize the funding starting in fiscal year 2019. The Department is unable to utilize this new funding without additional appropriation from the State Legislature. ADES has been working with the Governor's Office and the Legislature to determine how these funds can be most effectively utilized to serve Arizona's children. ADES will continue to monitor federal legislation to analyze any potential impacts on services and fund sources.

The ADES Division of Technology Services maintains a complex information technology infrastructure containing a wide array of sensitive and confidential information. Per state and federal law, the Department is obligated to protect this information for the safety of Arizona's residents. The Department is in the process of implementing several IT security projects which have been prioritized in accordance with an audit performed by the Arizona Office of the Auditor General. These projects will target vulnerabilities posed by internal and external threats and address the need for information and data tracking to permit faster incident response to security events.

ADES appreciates the important work of the Governor and the Legislature in assisting with the growing number of Arizonans in need of ADES' programs. In addition to addressing caseload growth and the significant impacts of Proposition 206, the fiscal year 2019 budget addresses the rise in Arizona Early Intervention Program referrals, provides needed funding for Arizona food banks to purchase critical food storage equipment, and funds a benefit match for SNAP purchases at farmers' markets. ADES remains committed to working with the Governor's Office, members of the Legislature, and other critical partners to address current and forthcoming challenges and opportunities.

The report provides a detailed comparison of total expenditures for the month of August and year-to-date as compared to prior year totals. If you have any questions, please contact Wes Fletcher, Chief Financial Officer, at (602) 542-6080.

Sincerely,

Michael Trailor  
Director

**Appropriation of Non-Appropriated Funds:**

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in DCYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.

**Program Description:**

The Division of Developmental Disabilities (DD) program provides services to individuals with mental retardation, cerebral palsy, autism, or epilepsy. Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.
