Phoenix, Arizona 85007

The Honorable David Gowan  
Chairman, Appropriations Committee  
Arizona State Senate  
1700 West Washington Street  
Phoenix, Arizona 85007

Dear Representative Cobb and Senator Gowan:

Pursuant to Laws 2019, 1st Regular Session, Chapter 263, Section 31, the Arizona Department of Economic Security (ADES, or Department) submits its Monthly Financial Status Report for Fiscal Year 2020 for July, August and September:

*The department of economic security shall forward a monthly report comparing total expenditures for the month and year to date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.*

### **Child Care**

With the increase in appropriation authority for the Child Care Subsidy Special Line Item (SLI), the Department has taken steps to promote and incentivize providers to achieve quality standards. In June 2019, the Department implemented new subsidy reimbursement rates and extended eligibility in tiered reimbursement to three-star providers, granting a five percent reimbursement for those who meet this standard. Over the past fiscal year, the percent of children in quality settings increased from 39 percent to 43 percent. With the additional appropriation authority from the non-lapsing supplemental funding received in Fiscal Year 2019, the Department suspended the Child Care Waiting List in June 2019 and has been able to serve approximately 800 additional children each month. The waiting list suspension has supported over 2,200 families on their path to self sufficiency by providing timely services and child care.

### **Family Caregiver Grant**

In Fiscal Year 2020 the Department was appropriated \$1 million of General Fund in order to administer grants to caregivers who incur expenses due to caring for a family member. Individuals will be granted up to \$1,000 per household for expenses directly related to supporting a family member requiring assistance for daily living. The Department is currently developing an application for families to use during the submission process and will begin accepting applications in January of 2020. Funding for this program begins January 1, 2020 and is repealed after June 30, 2023.

### **Food Bank Enhancements**

The Fiscal Year 2019 budget included one-time funding for food banks totaling \$1 million. The Association of Arizona Food Banks, St Mary's Food Bank Alliance, United Food Bank and Community Food Bank all received a portion of the funds for capital improvements, including expanding freezer and coolers, increasing square footage to handle fresh produce and dairy products, and developing distribution capacity in underserved areas.

### **Provider Rate Adjustments**

Throughout July of 2019, the Department's Division of Developmental Disabilities (DDD) held stakeholder forums throughout the state to give members, families, and providers the opportunity to voice their support and concerns regarding provider rate increases. Member themes included a focus on quality and consistency of care, and provider comments mirrored these concerns with a focus on the need for competitive rates. New rates have been implemented to serve one of Arizona's most vulnerable populations.

### **Protection of Vulnerable Adults**

On February 6, 2019, Governor Ducey issued Executive Order 2019-03: *Enhanced Protections for Individuals with Disabilities*, directing state agencies to heighten protections for some of Arizona's most vulnerable citizens. This order resulted in the development of the Executive Order Task Force on Abuse and Neglect of Vulnerable Adults. The Department has been actively engaging stakeholders and collaborating with the Arizona Health Care Cost Containment System and the Arizona Department of Health Services to develop recommendations and best practices that increase protection efforts for this population. ADES has seen a 39 percent increase in reports qualifying for investigation since the order was signed, reflecting an increase in awareness about this important issue.

### **Federal Funding**

In addition to carrying out initiatives at the state level, the Department continues to track federal budget updates. On September 21, 2019 the President signed a Continuing Resolution (CR) temporarily funding government operations through November 21, 2019. The CR specifically addresses funding for Temporary Assistance for Needy Families (TANF) and other health related programs including the Child Care and Development Fund (CCDF) and the Supplemental Nutrition Assistance Program (SNAP), allowing mandatory benefit payments to be paid for up to 30 days after the CR's expiration. The Department will continue to monitor SNAP and TANF grant management as the deadline approaches.

The Food and Nutrition Service (FNS) of the United States Department of Agriculture (USDA) has proposed a rule change to SNAP eligibility. This change would limit the categorical eligibility determination for SNAP through the TANF program, restricting eligibility to those receiving cash assistance and "substantial ongoing assistance or services, such as childcare." The Department estimates that approximately 13,700, or 3.5 percent of the 386,628 current households served

by SNAP have income and resources in excess of 130 percent of the Federal Poverty Level and would potentially lose eligibility. Both ADES and FNS expect there to be some costs associated with the change, as additional eligibility verifications are required for the entire Extended Categorical Eligibility population. The Department will continue to monitor the status of this proposed rule.

If you have any questions or concerns, please contact Kathy Ber, Director of Legislative Services at (602) 542-4669.

Sincerely,

Cara M. Christ, MD  
Interim Director

The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. **Child Care Development Fund (CCDF):**

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

**Appropriation of Non-Appropriated Funds:**

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.
