RESOURCE ROOM

The ARIZONA@WORK resource room is a self-help job information center. We offer clients the convenience of no-cost computer and internet access to create a resume, search and apply for jobs online. Workforce specialists are available to help you register on the Arizona Job Connection website, answer your questions and direct you to additional services.

ARIZONA JOB CONNECTION REGISTRATION

Create your resume and begin job searching after registering on Arizona's largest jobs database, the Arizona Job Connection. Self-register at www.AZJobConnection.gov or visit an ARIZONA@WORK office and let our team help you get started.

JOB SEARCH AND REFERRALS

Workforce Specialists are available to help you search for jobs that match your skills and experience. Once jobs of interest are identified, our staff can contact employers on your behalf to arrange your next steps for obtaining employment.

VETERANS SERVICES

Veterans and eligible spouses of veterans are given priority of service over others for the receipt of employment, training and placement services. Veterans Employment Representatives are available to provide comprehensive services tailored to the veteran's needs.

JOB PREPARATION AND COMMUNITY SERVICES

Once our staff understand your job goals, strengths and barriers to employment, you will be referred to our job preparation workshops to enhance your workforce skills. Community resources may be available to help you with childcare, emergency food, clothing, transportation, job training and more.

UNEMPLOYMENT INSURANCE

File for Unemployment Insurance Benefits by visiting, www.azui.com. For questions about Unemployment Insurance Benefits, please call 1-877-600-2722.
