CREATING YOUR...

USERNAME:

When applying for benefits through HEAplus, you will enter in your name, street address, city name, state name, email address, etc.

You will also be asked to “Create your Username”, and it’s good to create a unique Username that is easy for you to remember.

While we never recommend writing both your Username and Password on the same sheet of paper, the bottom of this flyer can be used to write one or the other. Please be sure to read the advice in the note at the bottom of that section.

NOTE: If you're looking for general suggestions about creating a Username for business interactions, we found the following ideas shared on various websites:

- Do not use the exact same Username on different website accounts.**
- Remember the Username represents who you are to others.**
- Avoid using any personally identifiable information, such as your first and last name or your birthdate. It's especially important not to use your last name. You could use your seldom-spoken middle name, and spell it backwards.**

- Do not reveal your age, or your location.**
- Avoid offending people.**
- Combine the name of a favorite pet with the name of a place you would enjoy visiting, such as Woofie Grand Canyon, or consider your interests:**

If you love a local lake, find out the name of a popular flower that grows there, and base your Username around it.

Example: Pleasant Lake Daisies.

Or if you like watching football, use your favorite Team's name with the first name of a current player.

- Use a phrase that is meaningful to you: "*I love ice cream.*"**
- Keep it clean: Do not use inappropriate words.**
- Use a dash or underscore between some words: (- or _)**

PASSWORD:

- Your password must be eight or more**

characters long. No repeating of characters (examples: 00 or 22).

- No repeating of character pairs (examples: oxox or 2424).**
- Use at least one number.**
- Use at least one special character (such as: !, @, #, \$, (, %,), &, *).**
- Use a combination of upper and lower case letters (use at least one upper case letter).**
- The password should**

**contain no blanks
spaces.**

IMPORTANT

**If you choose to write
your information into the
blank spaces below, keep
this information in a safe
place.**
