Dear Representative Cobb and Senator Gowan:

Pursuant to Laws 2019, 1st Regular Session, Chapter 263, Section 31, the Arizona Department of Economic Security (ADES/Department) submits its Monthly Financial Status Report for Fiscal Year (FY) 2020 through February:

The department of economic security shall forward a monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

As a result of the national effort to contain the spread of COVID-19, the Department is currently experiencing an unprecedented surge in applications and utilization of services across all lines of business. The Department is focused on the safety and security of all Arizonans, including those in need of services and the dedicated staff that support them, and is offering increased options for phone interviews, remote applications and redeterminations to support social distancing.

In order to maintain timeliness and service during this critical period, the Department is utilizing additional federal funding to maintain the child care provider network, support the Unemployment Insurance Benefit Program, and aid for older adults in need.

Child Care

On March 23, 2020, the Governor announced that the Department would fund child care providers at historic levels. On the same day, the Legislature transmitted the FY 2021 General Appropriations Act to the Governor. The Act includes an additional \$22.3 million in Child Care and Development Block Grant

The Honorable Regina E. Cobb

(CCDBG) spending authority to support child care across the state. This will provide stability to the child care system and support first responders and essential personnel as they work during the emergency period.

On March 27th, 2020, the President signed H.R. 748: the Coronavirus Aid, Relief, and Economic Security Act, also known as the CARES Act. This bipartisan response to COVID-19 includes several increases to ADES programs including \$88 million in Child Care and Development Funds for Arizona. The Department may require additional spending authority to utilize these funds. In addition, ADES is facilitating engagement of the Department-contracted child care network in the Arizona Enrichment Centers, the Governor's Office initiative to provide care to children of first responders, critical healthcare workers, and essential public sector employees. ADES is also automatically extending families' eligibility redetermination for subsidies by three months.

Unemployment Insurance

Businesses around the state have joined the nationwide effort to reduce the spread of COVID-19. In the week ending April 11, 2020, ADES received a record 95,382 Unemployment Insurance applications in a single week, surpassing the previous high of 14,000 in April 2009. In response to this unprecedented surge, the Department has been working with the Office of the Governor, the Arizona State Legislature, and federal partners to revise eligibility requirements, leverage additional funding, and ensure adequate staffing to process these claims.

On March 20, 2020, Governor Ducey issued Executive Order 2020-11, *Ensuring Individuals Whose Employment is Affected by COVID-19 Have Access to Unemployment Insurance*. This order helps align Arizona's Unemployment Insurance eligibility requirements with the new federal guidelines outlined in H.R. 6201, the Families First Coronavirus Response Act. Concurrently, the State Legislature passed S.B. 1694, which gives the Department the ability to adapt to new and changing federal guidelines during the emergency period, including alternative benefit eligibility and employer contributions. These actions will give the Department access to millions of federal dollars in additional unemployment benefits to support Arizonans affected by COVID-19.

Aging and Adult Services

The CARES Act also prioritized the service needs of older adults and their caregivers during this time by ensuring that additional funding was provided for nutritional programs including

Congregate and Home Delivered Meals administered by the State's Community Action Agencies. The Department will also receive additional Temporary Emergency Food Assistance Program funding and food commodities to be distributed by Arizona food banks directly to those in need.

Governor Ducey has ensured that SNAP recipients will also maintain their ability to use benefits at local Arizona farmer's markets by extending funding for DoubleUp Bucks Arizona SNAP Benefits Match Program and increased capacity for the Friends of the Farm program which creates a partnership between the Arizona Food Bank Network and the State's agricultural industry to ensure that the highest quality food is received by Arizona food bank clients.

The Department will also utilize additional federal funding to address basic shelter and weatherization needs of Arizona residents facing homelessness during the Pandemic. This funding will ensure that

vulnerable families have the ability to stay in their homes or be provided emergency shelter as they are impacted.

The Department appreciates the important work of the Governor and the Legislature in responding to recent federal, state and workforce changes. These efforts are allowing the Department to draw in new federal funding opportunities, adapt to changing circumstances, and provide assistance to Arizonans in need. ADES remains committed to working with the Governor's Office, members of the Legislature, and other critical partners to address current and forthcoming challenges and opportunities.

If you have any questions, please contact Kathy Ber, Director of Legislative Services at (602) 542-4669.

Sincerely,

Wesley Fletcher for

Temporary Assistance for Needy Families (TANF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Child Care Development Fund (CCDF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.
