Dear Representative Cobb and Senator Gowan:

Pursuant to Laws 2019, 1st Regular Session, Chapter 263, Section 31, the Arizona Department of Economic Security (ADES/Department) submits its Monthly Financial Status Report for Fiscal Year (FY) 2020 through March:

The department of economic security shall forward a monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

Virtual Services and Outreach

The Department is working diligently to ensure that Arizonans can continue to access all of the essential services ADES provides. To preserve the health and safety of clients and staff, ADES has increased service provision through telephone and online operations to the greatest extent possible. Many ARIZONA@WORK offices remain available for those requiring in-person assistance. Each ADES location has also implemented enhanced sanitation and safety protocols.

On March 20, 2020, the Department began publishing several web pages dedicated to COVID-19 outreach and assistance. These include:

- [DES Services Related to COVID-19](#), devoted to the programs and services the Department is providing specifically related to COVID-19 assistance;
- [DDD Actions Related to COVID-19](#), intended to keep the members and families who work with the Division of Developmental Disabilities informed;
- [Pandemic Unemployment Assistance](#), providing information on the temporary benefits to individuals not otherwise eligible for traditional Unemployment Insurance (UI) benefits; and
- [Virtual Office Services](#), which directs individuals towards alternative ways to access services.

Unemployment Insurance

The Department has experienced a sizable increase in [UI continued claims](#) growing from approximately 18,000 during the week ending March 21, 2020 to nearly 250,000 by May 30, 2020. During this unprecedented time, the Department has engaged with federal partners, ensuring full utilization of available flexibilities and financial relief made accessible through the Coronavirus Aid, Relief, and Economic Security (CARES) Act. At this time, the UI Trust Fund remains above \$1B and has begun receiving federal deposits made available through the Federal Pandemic Unemployment Compensation program and the Pandemic Unemployment Program. Following federal guidance from the Department of Labor, the Department implemented a system to determine eligibility and issue payments for the new federal Pandemic Unemployment Assistance program. The Department began accepting applications at pua.azdes.gov on May 12, 2020 and weekly certifications on May 17, 2020.

ADES continues to increase our capacity to manage the unprecedented volume in UI activity. The Department has developed a variety of resources for individuals who have questions about UI eligibility and benefits. These are available online at azui.gov and have also been distributed to UI applicants and claimants. Individuals, even those who are unsure about their UI eligibility, are encouraged to file claims for UI online at azui.gov.

Additionally, modifications have been made to the online and paper forms related to COVID-19 work search requirements, ability to work and waiving the waiting week. ADES has implemented extended call center hours to 7:00 am - 6:00 pm Monday through Friday, as well as Sunday call center hours from 9:30 am - 5:00 pm.

The Department also increased transparency with weekly postings of UI claim numbers and payments on the ADES web page [UI COVID Media Kit](#) by close of business each Monday.

Aging and Adult Services

In the weeks following the passage of the CARES Act, the Department worked to secure \$18M in additional federal funds to serve older adults in Arizona. These include funding for support services (\$4.4M), nutrition and meals (\$10.7M), family caregiver support (\$2.3M), and oversight (\$4.5M). The Department is currently developing spending plans to disperse these funds to those in need as quickly as possible.

Supplemental Nutrition Assistance Program (SNAP)

During this public health emergency, ADES staff and community partners are working together to ensure that Arizonans have access to basic needs through the provision of nutrition assistance, medical assistance, and cash assistance benefits.

The Governor and ADES requested [temporary federal SNAP waivers](#) designed to limit in-person interaction between workers and families and ensure families have sufficient access to food resources during the pandemic. To combat food insecurity, the Department is issuing emergency allotments to SNAP recipients, using the revised federal guidelines and increases in federal funding. Approximately 179,000 families are expected to receive a temporary increase to their SNAP allotment, injecting nearly \$39M of federal funding into the Arizona economy. This money will benefit local producers through programs like the DoubleUp Bucks Arizona SNAP Benefits Match Program while helping families in need address the sudden changes brought about by COVID-19.

Arizona P-EBT Pandemic School Meal Replacement Benefits are being issued to households with children who are eligible for free or reduced-price school meals. These households will receive benefits equivalent to one free lunch and one free breakfast for each eligible child. The benefits will be retroactive to March 16, 2020, and are calculated based on the number of school days for which the child would have received assistance from school meal programs. Eligible families will receive \$69 for March 2020, \$126 for April 2020, and \$120 for May 2020, for each child.

Additionally, families that have been accessing meals from schools during the closure are still eligible for these benefits. ADES will also coordinate with the Arizona Department of Education to identify eligible households who do not already participate in SNAP; those households will receive Electronic Benefit Transfer (EBT) cards with benefits beginning in early May. For families whose children participated in the free or reduced-price school lunch program, but have

not received notification, ADES will create a web application for them to submit their information to the Department for processing.

The Department has also secured a waiver from its federal partners for an online food purchasing pilot during the emergency period. Amazon and Walmart have partnered with ADES to provide food through online ordering, helping Arizonans in need to stay home, stay healthy, and stay connected in alignment with the guidance from the Office of the Governor and the Arizona Department of Health Services. Interviews, applications, and certification periods have all been modified to enhance the safety of applicants and staff while maintaining program integrity.

The Department appreciates the important work of the Governor and the Legislature in responding to recent federal, state and workforce changes. These efforts are allowing the Department to draw in new federal funding opportunities, adapt to changing circumstances, and provide assistance to Arizonans in need. ADES remains committed to working with the Governor's Office, members of the Legislature, and other critical partners to address current and forthcoming challenges and opportunities.

If you have any questions, please contact Kathy Ber, Director of Legislative Services at (602) 542-4669.

Sincerely,

Michael Wisehart
Director

Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.

Program Description:

The Division of Developmental Disabilities (DD) program provides services to individuals with mental retardation, cerebral palsy, autism, or epilepsy. Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.
