

Pandemic Unemployment Assistance (PUA)

Reminder to Register

The Arizona Department of Economic Security (DES) determined you are eligible to receive an initial payment for Pandemic Unemployment Assistance (PUA) and Federal Pandemic Unemployment Compensation (FPUC) benefits. Based on this initial eligibility, you were issued a check for \$2,151. However our records indicate that you have not completed registration in the PUA portal.

If you think you might be eligible to receive additional PUA benefits, based on the eligibility criteria listed on [our website](#), please register on the [PUA portal](#) at pua.azdes.gov. You must be in a continued filing status by filing an initial claim and weekly certifications to receive additional PUA benefits.

For questions about PUA, please visit our [PUA webpage](#) to view additional information, including frequently asked questions or contact the DES at 1(877) 600-2722.
