The Honorable David Gowan  
Chairman, Appropriations Committee  
Arizona State Senate  
1700 West Washington Street  
Phoenix, Arizona 85007

Dear Representative Cobb and Senator Gowan:

Pursuant to Laws 2020, 2nd Regular Session, Chapter 58, Section 27, the Arizona Department of Economic Security (Department/DES) submits its Monthly Financial Status Report for Fiscal Year (FY) 2021 for July and August:

*The department of economic security shall forward to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee a monthly report comparing total expenditures for the month and year-to-date as compared to prior-year totals on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.*

### **FY 2020 Successes**

The Department supports Arizonans through the provision of essential nutrition, cash, medical, and shelter services. The COVID-19 Pandemic has significantly impacted the Arizona economy, creating an unprecedented surge in demand for the Department's services while simultaneously forcing a dramatic change in the way applications and eligibility are processed.

These unprecedented times have prompted DES to develop a multi-year strategy of *Critical Management Through the Pandemic*, focusing on efficiently and effectively serving Arizonans. DES has connected clients with benefits and supported Arizona's economy by implementing a

new Pandemic Unemployment Assistance (PUA) system and streamlining a direct deposit process to ensure benefit payments are issued more efficiently to Arizonans in need.

Additionally, by expanding the child care provider network to include 594 enrichment centers, the Department prioritized providing child care services for essential workers.

While engaging in these initiatives, the Department maximized the virtual work environment where possible by converting over 61 percent of staff to telework at the end of FY 2020. These efforts did not go unnoticed, with 89 percent of staff reporting job satisfaction while working remotely. DES also distributed over 143,000 packages of health and safety equipment including masks, shoe coverings, gloves, and other associated virus spread prevention equipment to physical office locations statewide, emphasizing the importance of staying healthy and safe during the COVID-19 Pandemic.

Since March 2020, over \$11.5 billion in Unemployment Insurance (UI) benefits have been paid out to 1.3 million Arizonans. The Department has committed to investigating and processing hundreds of thousands of regular UI and PUA claims that have been flagged as potential fraud. In partnership with Google and other data analytics vendors, DES has made significant progress in identifying and combating fraud within the UI system. The Department has also allocated over \$70 million of COVID-19 related funding to community partners to provide resources for homelessness, domestic violence, among other critical services.

The Department's other multi-year strategy, *Emerging from the Pandemic Stronger, Leaner and More Efficient*, focuses on facilitating the rapid strengthening of the Arizona Economy post-pandemic. In partnership with the Arizona Commerce Authority, Office of Economic Opportunity, and local workforce leaders, the Department was successful in rebuilding and enhancing Arizona's economy through the [Return Stronger Upskilling website](#), which provides tools, trainings, and free career counseling for those out of the workforce to help them return with new skills and a new mindset. Additionally, DES has leveraged its partnership with ARIZONA@WORK to implement the strategic vision of a robust and effective workforce system in the State of Arizona. ARIZONA@WORK provides workforce reduction support through the use of [Rapid Response Services](#), [Shared Work Programs](#), and the [Worker Adjustment and Retraining Notification \(WARN\) Act](#). While the Department has reduced physical office space, the availability and accessibility of services has not been impacted, ensuring that Arizona's most vulnerable remain connected with the critical services needed.

## **FY 2021 Strategic Goals**

Annual objectives for FY 2021, outlined in the Department's strategic plan, include strengthening DES service delivery to meet the needs of all Arizonans to emerge from the COVID-19 Pandemic stronger, leaner, and more efficient for those we serve. As an essential service, DES provides basic needs assistance, including nutritional, cash, medical, and shelter services for the Arizona population. To enhance these services, DES will modernize processes

and streamline service points of contact for the Department's staff of more than 8,200 and the 3 million Arizonans served. Additionally, the Department will ensure services are provided timely and accurately, while caring for the health and safety needs of the teams, employees, and Arizonans we serve. The Department is committed to using this unprecedented opportunity to reshape, modernize, and enhance the way DES operates as an organization.

### **FY 2022 Budget Submittal**

The Department's FY 2022 request for funding focuses on ensuring the safety of Arizona's vulnerable adult population, supporting Arizonans returning to work through access to quality child care, and membership growth and new pandemic care guidelines in the Division of Developmental Disabilities. The Department is committed to helping Arizonans reach their full potential and appreciates the tremendous support that ensures this critical work continues. Quick action to support the child care network, local businesses, and Arizona's unemployed has enabled the Department to provide the services and support necessary to keep Arizona's children and families safe, and laid the groundwork for Arizona to return stronger.

Sincerely,

Michael Wisehart  
Director

**Child Care Development Fund (CCDF):**

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

**Appropriation of Non-Appropriated Funds:**

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.
