Proof of Eligibility Card

What is the Proof of Eligibility Card?

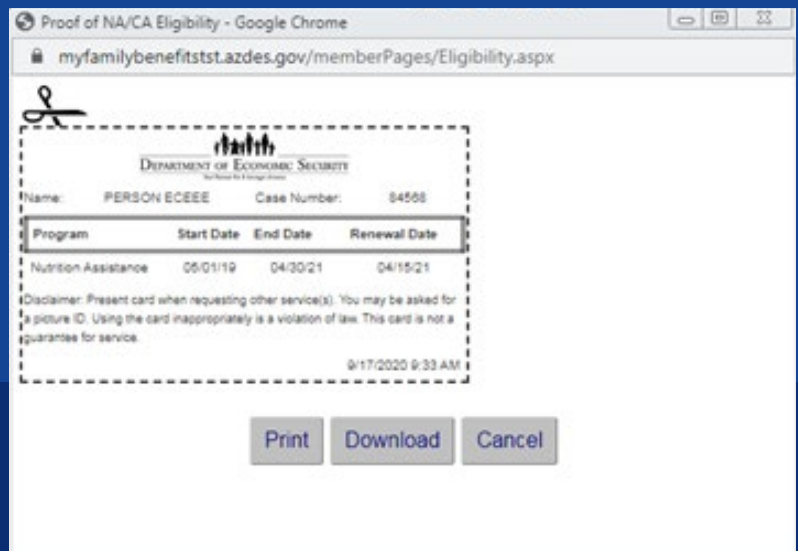

The Proof of Eligibility card includes the customer’s current eligibility status for Nutrition Assistance and/or Cash Assistance. The customer can print the card and use it as proof of eligibility to a third-party organization.

Who Does This Impact?

Customers.

Where Can it be Accessed?

A “Proof of Eligibility” link is available in both the customer’s homepage and the Nutrition (Food) and Cash Benefits page on the MyFamilyBenefits website. Clicking on the link will activate the “Proof of Eligibility” card pop up screen showing the program details in a card format for the customers to print or download. Customers must have active Nutrition and/or Cash Assistance program(s) and an account with MyFamilyBenefits to access the card. If there are no active benefits the customer would first need to apply for Nutrition and/or Cash Assistance programs, then set up or access their account.
