The Honorable Kirk D. Adams
Speaker of the House of Representatives
Arizona State House of Representatives
1700 West Washington
Phoenix, Arizona 85007

Dear Speaker Adams:

Pursuant to Laws 2010, 7th Special Session, Chapter 1, Section 30, the Department of Economic Security submits its Monthly Financial Status Report for fiscal year 2011 through September:

A monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals shall be forwarded to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee by the thirtieth of the following month. The report shall include an estimate of (1) potential shortfalls in entitlement programs, and (2) potential federal and other funds, such as the statewide assessment for indirect costs, and any projected surplus in state supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

The Department understands that there could be a shortfall of up to \$825 million in the state budget in fiscal year 2011, and that, as in past years, spending reductions during the fiscal year may be required to help balance the state budget. The Department also understands that, due to the state's fiscal year 2011 budget relying on the passage of two ballot propositions that may not ultimately be approved by the voters, the magnitude of the fiscal year 2011 General Fund shortfall is uncertain. Of the \$825 million potential shortfall, \$469 million is related to the potential failure of the ballot propositions. To that end, the Department has opted to not include in its fiscal year 2011 budget plan the \$40 million increase that it will receive should voters approve the proposition to repeal the Early Childhood Development and Health Board in November. Since the Department's current spending plan does not include that \$40 million in funding, failure of the this proposition will not, by itself, result in further service reductions; however, the Department also recognizes that should the propositions not pass, the state budget will be out of balance by up to \$825 million, potentially requiring additional spending reductions across the state, which could include the Department.

As fiscal year 2011 continues, the Department has maintained all reductions implemented in recent years. The Department still faces a number of funding issues in fiscal year 2011 relating to the Division of Developmental Disabilities' Arizona Long Term Care System (ALTCS) program as well as the federal Temporary Assistance for Needy Families (TANF) block grant.

When Congress enacted an extension of the enhanced Federal Medical Assistance Percentage (FMAP) initially created in the American Recovery and Reinvestment Act (ARRA), the structure of that legislation created a \$13.4 million General Fund shortfall in the ALTCS program. The extension as passed calls for a base 3.2 percent increase to the state's FMAP rate for the first calendar quarter of 2011 and a 1.2 percent increase for the second quarter, rather than the 6.2 percent base increase used by the state for those quarters when developing the fiscal year 2011 budget. The resulting enhanced FMAP savings is only about \$29.6 million, not the \$43.0 million reduction amount included in the budget in Laws 2010, 7th Special Session, Chapter 232, leaving a General Fund shortfall of \$13.4 million in the ALTCS program. This issue is due to an unexpected change in federal legislation and also affects the Arizona Health Care Cost Containment System (AHCCCS) and the Department of Health Services (DHS). According to a letter submitted by AHCCCS to the Legislature on September 15, 2010, AHCCCS has proposed to resolve the one-time fiscal year 2011 shortfalls created in AHCCCS, DHS, and DES by using AHCCCS' excess funding, including fiscal year 2010 reversions.

In fiscal years 2010 and 2011, the Department's appropriation from the TANF block grant was decreased by a total of \$58 million due to an unfunded structural shortfall at the state level and the exhaustion of contingency funds at the federal level. The Department had been receiving \$40 million annually in contingency funds since fiscal year 2008. In September of 2010, the Department learned some states were not going to utilize their allocations of regular contingency funds, and that an additional \$14.1 million would be available to Arizona. The Department also received approximately \$4.3 million from the TANF emergency contingency fund, which was created by the ARRA. The amount received is significantly below the total requested because the aggregate of all states' requests exceeds the \$5 billion that is available nationally. Arizona has received its proportionate share of its \$11.2 million request. The Department will need additional appropriation authority to spend these regular and emergency contingency funds.

The detailed comparison of total expenditures for the month and year-to-date as compared to prior year totals is attached. If you have any questions, please contact Michael Wisheart, Chief Financial Officer, at (602) 542-3786.

Sincerely,

Neal Young
Director

Temporary Assistance for Needy Families (TANF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development Fund (CCDF). The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in CYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Enforcement was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the ERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the ACS budget.

The Division of Aging and Adult Services includes the Governor's Advisory Council on Aging (GACA). It also provides alternatives to institutional care for the elderly and physically disabled through a range of non-medical home and community-based services. It includes statewide programs of advocacy, social services, nutrition services, program development services, adult protective services, nursing home ombudsman services, volunteer services, and employment opportunities.

The program also provides for an array of services primarily through contracts with community-based organizations, in the following programmatic areas: food and nutritional assistance to persons and families in hunger-related crises; a variety of services for homeless persons and families; emergency services networks; refugee resettlement, including medical assistance; domestic violence victim assistance; and utility assistance.

Arizona Health Care Cost Containment System (AHCCCS):

Through an intergovernmental agreement with Arizona Health Care Cost Containment System (AHCCCS), the Department of Economic Security performs eligibility determinations for the AHCCCS Acute Care Program, disability entitlement for the Arizona Long-Term Care System and the Federal Emergency Services program, and screens all individuals with developmental disabilities before they enter the Long-Term Care program to determine the appropriate level and types of specialized services needed. The Department also determines AHCCCS eligibility in the federal SOBRA program for pregnant women and children and other Medical Assistance Only (MAO) programs.
