The Honorable Andy Tobin
Speaker of the House of Representatives
Arizona State House of Representatives
1700 West Washington
Phoenix, Arizona 85007

Pursuant to Laws 2011, Chapter 24, Section 28, the Department of Economic Security submits its Monthly Financial Status Report for fiscal year 2012 through January:

A monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals shall be forwarded to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee by the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other funds, such as the statewide assessment for indirect costs, and any projected surplus in state supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

The Department understands that while revenue in fiscal year 2012 has so far exceeded the budgeted forecast and has grown consistently over the last year, the future of state revenue remains uncertain. The temporary one cent sales tax will expire on May 31, 2013, without which the State's General Fund budget may still be operating under a structural shortfall. As a result of the uncertainty surrounding the future of the state budget, the Department continues to work diligently to do its part to contain expenditures and identify and implement efficiencies.

The Department is maintaining all service reductions implemented in recent years. While the near-term state budget picture has improved, the Department still faces budget issues. The Department believes that one-time solutions are available to resolve these budget issues without need of an appropriation supplemental from the State during fiscal year 2012.

The Department also must address the loss of the population supplemental for the TANF Block Grant in fiscal year 2012. When TANF was created, supplemental funding in addition to the base block grant was made available to 17 states with rapid population growth. This funding provision expired on June 30, 2011. Arizona's population supplemental in state fiscal year 2011 was about \$21.8 million. While this issue did not affect the Department's budget in fiscal year 2012, the Department anticipates that it will have a structural shortfall in TANF-funded programs in fiscal year 2013 and beyond. To that end, the Governor's Office has included an increase of \$25.8 million General Fund in its fiscal year 2013 budget

recommendation to offset the lost federal revenue. The Department also anticipates some cash flow issues in the current fiscal year, but expects to be able to resolve them internally. The precise nature and magnitude of any potential issues will become apparent as the fiscal year progresses, and any new developments will be discussed in this monthly letter.

In the TANF Cash Benefits special line item, as mentioned by JLBC in the Baseline Budget book, the Department is anticipating a shortfall in fiscal years 2012 and 2013. During fiscal year 2012, the Department expects to be able to resolve this shortfall internally, since its potential has been apparent for some time since it was clear that the amount of savings was going to be larger than the anticipated actual savings. The Department will discuss the specific resolution of this problem in future letters as the magnitude of the shortfall and the location of potential solutions becomes clear. Supplemental funding to address this shortfall will not be needed.

Recent months have seen increases in the number of Child Protective Services reports, investigations, and, as a result, the number of children placed in out-of-home care has increased. December 2011 out-of-home placements were 9.5% higher than December 2010, with particular growth in congregate care placements, which includes more expensive group homes and institution-type settings. As a result of this growth, the Department is anticipating a shortfall in the Residential and Emergency Placements Special Line Item during fiscal year 2012. As above, the magnitude of the shortfall will become clear as the year progresses and the Department plans to resolve the shortfall in fiscal year 2012 with available funds and without a supplemental appropriation.

In addition to the TANF population supplemental issue, there is further uncertainty at the federal level that may affect the Department and the entire state. The Budget Control Act (BCA) passed by Congress in August 2011 requires Congress to enact measures to reduce the federal budget deficit by \$1.2 trillion over ten years. The Congressional super committee appointed to propose the reductions has announced its failure to reach an agreement by its appointed date, triggering automatic reductions included in the BCA that will begin in January 2013. The impact of the implementation of even those reductions remains unclear, as they do not specify the funding level for any particular program. Also, many state-administered programs are exempted from the automatically triggered cuts, including Medicaid, Temporary Assistance for Needy Families, Supplemental Nutrition Assistance, Foster Care, and some Child Care funding. Even though Congress has not enacted reductions to avoid the automatic triggers in the BCA, since the automatic reductions do not take effect until January 2013, it is still possible that Congress could act in the meantime to repeal the automatic reductions and implement other reductions. The nature of any future reductions is, of course, uncertain at this time.

Statewide Medicaid Status Summary – The total projected Medicaid General Fund shortfall, including the Arizona Department of Health Services (ADHS) and the Arizona Department of Economic Security (ADES), is \$54.3 million as shown in the table below:

	SM Surplus/ (Shortfall)
AHCCCS	(26,405,200)
DHS	(41,551,300)
DES	13,700,000
Total	<u>(54,256,500)</u>

This shortfall will be addressed by primarily utilizing a projected Prescription Drug Rebate (PDR) Fund surplus. PDR monies are statutorily reserved to fund the costs of AHCCCS programs. The current budget includes a \$20 million appropriation; however, the AHCCCS budget submittal projects a surplus of approximately \$87 million above the appropriated funds, which is available to offset shortfalls elsewhere in AHCCCS and ADHS. Therefore, at this time, no General Fund supplemental is required.

This plan requires that the surplus PDR collections be appropriated to AHCCCS and legislation to realign General Fund appropriations between the three agencies. These estimates reflect the Executive fiscal year 2012 Supplemental recommendation and may change over the course of the fiscal year based on additional Centers for Medicare and Medicaid Services decisions, caseload changes, additional policy decisions and other factors. AHCCCS will continue to monitor these factors, and working with ADHS and ADES will provide updated information as it becomes available.

The detailed comparison of total expenditures for the month and year-to-date as compared to prior year totals is attached. If you have any questions, please contact Michael Wisehart, Chief Financial Officer, at (602) 542-3786.

Sincerely,

Clarence H. Carter
Director

Temporary Assistance for Needy Families (TANF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development Fund (CCDF). The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in CYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Enforcement was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the ERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the ACS budget.

Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.

Arizona Health Care Cost Containment System (AHCCCS):

Through an intergovernmental agreement with Arizona Health Care Cost Containment System (AHCCCS), the Department of Economic Security performs eligibility determinations for the AHCCCS Acute Care Program, disability entitlement for the Arizona Long-Term Care System and the Federal Emergency Services program, and screens all individuals with developmental disabilities before they enter the Long-Term Care program to determine the appropriate level and types of specialized services needed. The Department also determines AHCCCS eligibility in the federal SOBRA program for pregnant women and children and other Medical Assistance Only (MAO) programs.
