The Honorable David Gowan
Chairman, Appropriations Committee
Arizona State Senate
1700 West Washington Street
Phoenix, Arizona 85007

Dear Representative Cobb and Senator Gowan:

Pursuant to Laws 2021, 1st Regular Session, Chapter 408, Section 28, the Arizona Department of Economic Security (ADES/Department) submits its Monthly Financial Status Report for Fiscal Year (FY) 2022 through November:

The department of economic security shall forward to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee a monthly report comparing total expenditures for the month and year-to-date as compared to prior-year totals on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

Workforce Innovation and Opportunity Act Escalator Request

ADES intends to invoke the Workforce Innovation and Opportunity Act (WIOA) escalator to ensure the annual grant awarded to the Department aligns with appropriation authority for FY 2022. The Department is requesting an additional \$3,500,000 in FY 2021 WIOA expenditure authority to address programmatic costs incurred by Local Workforce Development Areas (LWDA) in the same FY. These late expenditures, incurred by LWDAs in the last weeks of FY 2021, and subsequently submitted to the Department after June 30, result from situational difficulties inflicted on LWDAs by the pandemic and are not expected to recur in future FYs. The \$3,500,000 requested by ADES will directly address expenses generated by LWDA staff as they provide a variety of employment-related services throughout their communities.

As growing discretionary and programmatic costs within the WIOA Special Line Item annually eclipse the line's baseline appropriation, the Department is requesting the authority to expend the entirety of Arizona's portion of the federal WIOA Grant in FY 2022. This request dovetails with the DES's FY 2023 budget request, which requests base funding reflective of the most recent 2021 WIOA award amount and is in alignment with the original WIOA appropriation in FY 2014. The Department believes proactive escalation of its baseline appropriation to the grant's full amount is a preferable alternative to issuing and reissuing escalator request letters before new expenditures are incurred, and that the WIOA appropriation amount can be adjusted upward to the level of the current award in future FYs.

Child Support Services Arizona Tracking and Locate Automated System Replacement Escalator Request

The Department intends to utilize increased appropriation authority in the coming months to leverage available operating cash and continue implementation of the Arizona Case Records System, the new child support services system that is replacing ATLAS. ADES continues to work with the vendor on project completion timelines, which will determine when portions of the allocated funds are released to the vendor. The Department will continue to provide more timeline details as they become available.

Temporary Assistance for Needy Families Pandemic Emergency Assistance Fund

As of October 2021, ADES had issued more than \$1 million in benefits from the Temporary Assistance for Needy Families Pandemic Emergency Assistance Fund (PEAF), established by the American Rescue Plan Act, and estimates that an additional \$3.6 million will be issued to eligible families.

Additionally, the Department has identified a need for the FY 2022 appropriation to be loaded in a ratio different from the standard allotment schedules in order to facilitate payments to families. The expenditure plan for these monies, developed in collaboration with the Department of Child Safety (DCS), states that the \$14.5M will be divided between Non-Recurring Short Term benefits in the form of direct payments to (a) children in unlicensed foster care, (b) child cash assistance cases, and (c) child grant diversion cases. An alternate allotment schedule would make funds available for disbursement earlier in the FY and allow for both ADES and DCS to complete all planned disbursements to eligible families in the coming months.

If you have any questions, please contact Kathy Ber, Public Affairs Director at (602) 542-4669 or kber@azdes.gov.

Sincerely,

Michael Wisehart
Director

Temporary Assistance for Needy Families (TANF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Child Care Development Fund (CCDF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.

Program Description:

The Division of Developmental Disabilities (DD) program provides services to individuals with mental retardation, cerebral palsy, autism, or epilepsy. Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.
