HOW WILL I KNOW MY ACCOUNT BALANCE?
The easiest way to know your account balance is to keep your receipts. If you don’t have your receipts, you may check your balance on the Internet at www.ebtEDGE.com or you can call the 24-hour Customer Service number. You should always check your account balance before you use your card.

WHAT HAPPENS IF THE POS MACHINE IS NOT WORKING?
If the POS machine is not working, or the store does not have one, you may still be able to use your SNAP benefits to buy food there. When a store’s POS machine is not working, the store will use a paper form, called a voucher, that you will need to sign. For stores without a POS machine, ask if they accept Arizona EBT. Some retailers do not have a POS machine and instead use the voucher. Some retailers may limit the amount of your purchase.

ALTERNATE CARDHOLDER
You may choose a person, called an Alternate Cardholder, to get your benefits for you. If you need an Alternate Cardholder, choose a person you trust. Remember, lost or stolen benefits will not be replaced.

WHAT IF I DO NOT WANT TO USE ALL MY BENEFITS IN ONE MONTH?
The benefits you do not use stay in your Arizona EBT account until you use them. However, if you do not use your SNAP benefits at least once during a 365-day period, or your TANF cash benefits at least once during a 180-day period, those benefits will be removed from your account for inactive use.

WARNING!
It is illegal to withdraw TANF cash at ATMs or to use your card at Point of Sale machines in liquor stores, casinos, horse or dog racing facilities, medical marijuana dispensaries, or adult entertainment establishments. It is also illegal to use your card to purchase lottery tickets. (ARS§46-297)

REPORT FRAUD!
Buying, selling, or otherwise misusing SNAP benefits is a federal crime. To report suspected abuse visit www.usda.gov/oig/hotline.htm or call: 1-800-424-9121.
