The Honorable Andy Biggs  
President of the Senate  
Arizona State Senate  
1700 West Washington  
Phoenix, Arizona 85007

Dear President Biggs:

Pursuant to Laws 2014, 2<sup>nd</sup> Special Session, Chapter 2, Section 7, the Department of Economic Security submits its Monthly Financial Status Report for fiscal year 2015 through May:

The department of economic security shall forward a monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report must include an estimate of potential shortfalls in entitlement programs and potential federal and other funds, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

State revenue growth leveled off throughout the end of fiscal year 2014 and the first part of fiscal year 2015. During the latter half of the fiscal year, the state has experienced moderate growth in state revenue levels. In May 2015, state revenues grew by 6.5 percent compared to last year. The Department recognizes the importance of maintaining its focus on fiscal stewardship over the public resources used to provide Department services. As a result, the Department continues to work diligently to contain expenditures and identify and implement efficiencies.

The JLBC gave a favorable review during their March 31st meeting for the proposed Medicaid capitation rate changes for the remaining 3 months of fiscal year 2015 and fiscal year 2016. At that time, JLBC identified a \$389,700 shortfall in the Department's general fund appropriation required to match the newly approved Arizona Health Care Cost Containment System (AHCCCS) fiscal year 2015 increase to the capitation rate for the Arizona Long Term Care System (ALTCS) program supporting individuals with developmental disabilities. The fiscal year 2016 budget included a supplemental appropriation to resolve the initial fiscal year 2015

projected general fund shortfall; however the supplemental appropriation does not address the additional general fund required as a result of an increase to capitation rates as well as the projected general fund shortfall increasing due to an increased projection in caseload growth.

The Department continues to experience significant growth in the number of Adult Protective Services (APS) reports. Through May, the number of reports in fiscal year 2015 increased by 22 percent compared to the number of reports through May of fiscal year 2014. While for that same time period, the year-to-date number of case closures increased by 50 percent from fiscal year 2014. These two factors have resulted in an average APS statewide caseload of 143 cases per investigator. The Department continues to hire additional APS investigators to work through the mounting caseloads.

Pursuant to legislative intent, the Department has successfully increased childcare services for children in the Low Income Working (LIW) category. Between July 2014 and January 2015, the Department released 10,739 children from the waitlist. Then in May 2015, the Department released 2,522 children from the waitlist. The increase in authorizations translated into 11,024 children in the LIW category in service and increased expenditures in the month of May. The Department expects to continue to increase those authorizations in future months to fully utilize the available resources.

Funding and expenditures for the data center move are reflected in the Department of Administration report. The Department received approval to spend \$3 million for the planning and network migration phases of the relocation in October and received a favorable review during the JLBC meeting in March to spend the remaining \$4 million for the data center move.

The budget for federal fiscal year 2015 was finalized in The Consolidated and Further Continuing Appropriations Act, 2015 that passed on December 13th. Under current state distribution estimates, notable changes in federal funding for the Department include decreases compared to federal fiscal 2014 in unemployment insurance, child support enforcement, and the Low Income Home Energy Assistance Program. Funding increases were noted for Child Care and Development Fund and Workforce Investment Act. Currently, Congress is in the process of determining the budget for federal fiscal year 2016 which begins October 1, 2015. The Department will continue to monitor federal legislation to analyze any potential impacts on Department services or fund sources.

The Department appreciates the important work of the Governor and the Legislature in assisting with the growing number of Arizonans in need of the Department's programs. The fiscal year 2016 budget added necessary funding for caseload growth in both the Adult Protective Services (APS) and clients with developmental disabilities populations and additionally backfilled the Long Term Care System Fund. The Department remains committed to working with the Governor's Office, members of the Legislature, and other critical partners to address current and forthcoming challenges and opportunities.

The report provides a detailed comparison of total expenditures for the month of May and year-to-date as compared to prior year totals. If you have any questions, please contact Jim Whallon, Deputy Assistant Director, Division of Business and Finance at (602) 542-3786.

Sincerely,

**Temporary Assistance for Needy Families (TANF):**

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development Fund (CCDF). The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

**Appropriation of Non-Appropriated Funds:**

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in DCYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.
