

Helping Rebuild Lives After A Felony Conviction

Our Mission Statement

To support, advocate and mentor previously incarcerated youth and adults to become servant leaders within Maricopa County.

- ◆ Are you finding it difficult obtaining gainful employment after a felony or misdemeanor conviction?
- ◆ Are you returning home from jail or prison and finding it difficult to receive the necessary support services to assist you in your transition?
- ◆ Are you in need of a mentor to walk along side you, to help you navigate through this ever-changing world?

We understand the difficulty and struggle associated with having a felony conviction. AZCG provides various life skills training courses for both youth and adults. AZCG offers these courses and upon completion of the course students will be awarded with a certificate of completion.
