DIVISION OF DEVELOPMENTAL DISABILITIES

BEHAVIORAL HEALTH SUPPORT FOR MEMBERS AND FAMILIES

DDD members who are Long-Term Care eligible and have Mercy Care or United HealthCare for their DDD integrated health plan, may receive virtual behavioral health support from a Peer Run or Family Support agency.

These agencies are equipped to quickly provide virtual behavioral health support, tips and guidance. They are able to assist a member who may have unique worries associated with the fear of COVID-19 as well as difficulty with adjustments to normal activities as a result of the COVID-19 pandemic. Agencies are able to evaluate the member to determine if a behavioral health referral is needed in addition to their current supports.

Mercy Care and United Healthcare have shared lists of their contracted providers. Please use this information and refer members and families additional support is needed.

mercy care
