What is the Child Care Stabilization Grant Program?

The Child Care Stabilization Grant (CCSG) Program is intended to directly support Arizona's child care providers that have endured increased costs and challenges due to COVID-19. CCSG will sustain Arizona's child care network by supporting providers by giving a consistent, reliable funding source to cover increased cost and challenges due to COVID-19 from July 2021 through June 2023.

While child care providers must apply to receive funds, grants are not competitive. Providers may utilize grant funds for a variety of expenses including salaries and benefits for employees, bonus incentives for hiring and retention, licensing fees, liability insurance, lease and mortgage payments, utilities, classroom materials, and supplies.

These funds are made available to Arizona through the Child Care and Development Fund (CCDF) relief funding appropriated through The American Rescue Plan (ARP) Act of 2021 (Public Law 117-2).

Who is eligible for grant funds?

Providers must have been licensed or certified by March 11, 2021:

- DES Non-Certified Relative Providers
- DES Family Child Care Providers (including in-home providers)

- Tribal Child Care Providers
- Military Child Care Providers
