EA Programs

EA provides employment and training services to employers and individuals seeking new jobs, better jobs or first jobs through the following:

- Workforce Investment Act (WIA)
- Employment Service (ES)
- One-Stop Career Centers (OSCC)
- Veterans Employment Programs (DVOP & LVER)
- SNAP Employment & Training
- Jobs Program (TANF)
- Trade Adjustment Assistance (TAA)
- Migrant Seasonal Farm Workers Outreach Program (MSFW)
- Foreign Labor Certification Program
- Work Opportunities Tax Credit (WOTC)
- Federal Bonding Program

Integrated Workforce Plan

Federal Emphasis

- Alignment with State and Regional economic development
- Cross-program alignment
- Use of evidence-based practice
- Dual-customer focus
- Credential attainment
- Effective use of Labor Market Information

The plan is also based on Sector Strategies – industry sectors that are focused on :

- Attracting New Business
- Growing Existing Business
- Building Business

Integrated Workforce Plan

The plan also focuses on leveraging resources by aligning:

- Job seekers and business services;
- Customer-focused processes across WIA and ES; and
- Policy & training to support program alignment efforts.

Performance Goals

Another activity recently completed was the establishment of Program Year 2013 Performance Goals.

- DES worked with the Local Areas, to identify and establish the performance targets for each specific area.
- Move to Common Measures for PY 2013

Overall the state has performed very well over the course of the last three program years as evidenced by the Incentive funds that we have been awarded.

Closing

Our goal is to help put the citizens in Arizona back to work, and we can only do that with the assistance of everyone here.

A key component to achieve this goal, in EA, is to make sure that you know that we are here to support the Arizona Workforce System in meeting your employer and job seeker needs.

Thank you for your on-going dedication to serving Arizona's workforce.
