The Honorable David Gowan
Chairman, Appropriations Committee
Arizona State Senate

Phoenix, Arizona 85007

Dear Representative Cobb and Senator Gowan:

Pursuant to Laws 2020, 2nd Regular Session, Chapter 58, Section 27, the Arizona Department of Economic Security (DES/Department) submits its Monthly Financial Status Report for Fiscal Year (FY) 2021 for December, January and February:

The department of economic security shall forward to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee a monthly report comparing total expenditures for the month and year-to-date as compared to prior-year totals on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

Emergency Rental Assistance Program (ERAP)

On February 9, 2021, the Department officially announced that it was partnering with Arizona counties to implement ERAP in order to provide financial assistance and housing stability to renters across the state. Funding from ERAP will be used toward direct payments for rent, rental arrears, utilities, utility arrears, and other assistance related to housing stability incurred as a result of the ongoing COVID-19 Pandemic.

This program was established under the Consolidated Appropriations Act of 2021 and provides \$25 billion to states, cities, and counties to help residents prevent eviction. Arizona received a total of \$492 million from the United States Department of Treasury for the implementation of the program. DES was awarded \$289 million and will partner with 12 counties to distribute emergency rental and utility assistance. The remaining balance was awarded to municipalities with more than 200,000 people to distribute locally. In addition to funding from the Consolidated

Appropriations Act, the American Rescue Plan has appropriated approximately \$18.7 billion to states to administer Emergency Rental Assistance through 2027, with an estimated \$374 million being allocated to Arizona. Additional information will be forthcoming as the Department works closely with local and federal partners on the provisions of this new legislation.

Starting February 23, 2021, Arizona households began applying for up to \$3,500 in rental and utility assistance for each month. After their initial application, households may receive up to 12 months of assistance. Once the household has received 12 months of benefits, whether for arrears or future payments, the household may apply for a 3-month extension of benefits upon providing documentation of eligibility to the Department.

State of the State Address & Executive Budget

Governor Douglas Ducey delivered his annual State of the State address virtually on January 11, 2021, coinciding with the beginning of the legislative session. Governor Ducey highlighted priorities in vaccine distribution, economic recovery through lowering taxes, support for K-12 education, and access to telemedicine among other issues of interest. Additionally, the Governor's executive budget for FY 2022 was introduced, in which the foundation was laid for a strong recovery through sustainable solutions and historic investments in public health and more.

Key provisions of the executive budget include \$17 million to fund the continued suspension of the child care waitlist and for a new pilot program that provides child care to children of parents pursuing education and nursing degrees. The budget also includes \$2.9 million to reduce the investigator caseload for the Department's Adult Protective Services to the recommended 1:25 caseload ratio along with \$1.5 million to raise rates for Aging and Adult Services providers.

Department Shortfalls

The Governor's executive budget proposal includes \$92.7 million in supplemental funding for FY 2021 to support COVID-19 relief programs for child care providers. The passage of Laws 2021, First Regular Session, Chapter 18 has provided this additional \$92.7 million in supplemental Child Care Development Fund funding. These federal funds were provided by the Coronavirus Aid Relief, Economic Security Act, and their availability has allowed DES to expand support to families and the Arizona child care provider network.

The Department intends to utilize the Workforce Innovation and Opportunity Act (WIOA) fund escalator clause in order to utilize increased federal funding made available to the state to expand workforce support to Arizona businesses and job seekers as part of the recovery effort. An additional \$19 million in authority will be required for this purpose. Since the 2014 transformation of the federal Workforce Investment Act (WIA) into WIOA, the Department has worked closely with the Workforce Arizona Council, the Arizona Department of Education, and the Office of the Governor to serve the Arizona business community in accordance with new federal requirements. Arizona's share of this funding has grown in the last three FYs, yet corresponding appropriations have not grown commensurately since their 1998 authorization. This has necessitated yearly escalator notifications to bridge this gap.

DES has projected a shortfall in State Funded Long-Term Care (SFLTC) funding of \$4 million in FY 2021 and \$5.9 million in FY 2022. Annual growth in the Division of Developmental

Disability's member population has had a compounding impact on the Department's ability to fund appropriate room and board costs to Arizona's most vulnerable population. The executive budget proposes increased appropriation authority to remedy the shortfall between appropriation and expenses for FY 2021 and subsequent years.

Sincerely,

Michael Wisehart

Temporary Assistance for Needy Families (TANF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Child Care Development Fund (CCDF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.

Program Description:

The Division of Developmental Disabilities (DD) program provides services to individuals with mental retardation, cerebral palsy, autism, or epilepsy. Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.
