The Honorable David Gowan  
Chairman, Appropriations Committee  
Arizona State Senate  
1700 West Washington Street  
Phoenix, Arizona 85007

Dear Representative Cobb and Senator Gowan:

Pursuant to Laws 2019, 1st Regular Session, Chapter 263, Section 31, the Arizona Department of Economic Security (ADES) submits its Monthly Financial Status Report for Fiscal Year 2019 for March, April and May:

*The department of economic security shall forward a monthly report comparing total expenditures for the month and year to date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.*

### **Fiscal Year 2020 Budget**

The Fiscal Year 2020 budget includes a General Fund increase of \$87.4 million. Most of this increase addresses critical member needs in the Developmental Disabilities (DD) programs, including:

- \$50.9 million to address 4.7 percent caseload growth and 3.0 percent capitation growth, as well as continued increases in state minimum wage.
- \$11 million to address DD direct care worker impacts of Proposition 206 and \$2 million for DD room and board.

- \$13 million for rate increases for the DD provider network. Public forums are taking place during the month of July to address the implementation of these rate increases.

In April 2018, the State received over \$55 million in additional Child Care and Development Funding (CCDF). The Fiscal Year 2020 budget includes a corresponding increase in the Department's CCDF appropriation, allowing ADES to bring child care provider rates into compliance with a US Department of Health and Human Services Corrective Action Plan, and to ensure access to service for thousands of children who qualify.

The Fiscal Year 2020 budget gives ADES the opportunity to provide assistance to qualified family caregivers through the establishment of the Family Caregiver Support Grant program. The Department was appropriated \$1 million to administer grants of up \$1,000 per household for expenses directly related to caring for or supporting a family member requiring assistance with the activities of daily living. The program is set to begin January 1, 2020.

### **Fiscal Year 2019 Supplemental Funding**

ADES received Fiscal Year 2019 supplemental funding to ensure the DD programs' ability to pay for client services through the end of the fiscal year. The supplemental amounts include \$10.4 million of General Fund and \$1 million of Health Services Lottery Fund (HSLF) monies for newly enacted capitation rate adjustments. Additionally, ADES was appropriated a supplemental for minimum wage associated costs for DD providers in the City of Flagstaff. The City of Flagstaff will provide \$150,000 to leverage \$350,000 of federal funding for Fiscal Year 2019 costs.

The Legislature also authorized supplemental CCDF funding, allowing the Department to suspend the child care waiting list and to bring child care provider rates to at least the 25<sup>th</sup> percentile of the 2018 Market Rate Survey beginning June 1, 2019.

Finally, the Department received a supplemental appropriation of \$950,000 of General Fund to support regional food banks in the storage and distribution of increased supplies of food provided to them by the federal government as a result of US trade mitigation agreements.

ADES appreciates the Legislature's understanding of the need to address prior year funding levels in order to fully leverage the next fiscal year's funding, and will continue to provide transparent updates as to the expenditure of all Fiscal Year 2019 supplemental funding.

### **Appreciation and Continued Commitment**

ADES appreciates the important work of the Governor and the Legislature in assisting with the growing number of Arizonans in need of ADES' programs. ADES remains committed to working with the Governor's Office, members of the Legislature, and other critical partners to address current and forthcoming challenges and opportunities. ADES recognizes the importance of maintaining its focus on fiscal stewardship over public resources.

The Honorable Regina E. Cobb  
The Honorable David Gowan

**Appropriation of Non-Appropriated Funds:**

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in DCYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.

**Program Description:**

The Division of Developmental Disabilities (DD) program provides services to individuals with mental retardation, cerebral palsy, autism, or epilepsy. Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.
