The Honorable David Gowan
Chairman, Appropriations Committee

Phoenix, Arizona 85007

Dear Representative Cobb and Senator Gowan:

Pursuant to Laws 2019, 1st Regular Session, Chapter 263, Section 31, the Arizona Department of Economic Security (ADES or Department) submits its Monthly Financial Status Report for Fiscal Year (FY) 2020 through October:

The department of economic security shall forward a monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

Child Care Tiered Reimbursement

Utilizing the increase in appropriation authority for the Child Care Subsidy Special Line Item, the Department has taken steps to promote and incentivize providers to achieve quality standards. In June 2019, the Department implemented new subsidy reimbursement rates and extended eligibility in tiered reimbursement, with a five percent reimbursement for three-star providers, ten percent for four-star providers and twenty percent for five-star and nationally accredited centers. Over the past fiscal year, the percent of children in quality settings increased from 39 percent to 43 percent. The Department continues to review the success of this incentive structure as FY 2020 progresses.

Provider Transparency

On November 18, 2019, the Division of Developmental Disabilities (DDD) notified its Provider Network about the upcoming provider profiles initiative. Scheduled for publication on the DDD website in January 2020, the Division intends to include four initial metrics including Timeliness,

The Honorable Regina E. Cobb
The Honorable David Gowan
Page 2

Group Home Compliance, Business Operations Compliance, and the Delivery of Therapy Services. DDD will utilize the feedback from these publications to better serve members and their families.

Second Chance Centers

Since the beginning of FY 2020, there has been a 91 percent increase in the number of formerly incarcerated individuals obtaining employment through the Governor's Second Chance Center program. There have been 935 job placements through the program this fiscal year. The Department anticipates the program to continue in its shared success with the Department of Corrections at the twelve supported centers.

Food Bank Investment

Due to the federal Trade Mitigation Program (TMP), food banks throughout the state are receiving a surge in donated items. In anticipation of handling increased amounts of food, \$950,000 in supplemental funding was approved by the legislature for FY 2020. This funding will be used to increase and expand food storage at major food bank locations throughout the state in order to keep pace with the increase of perishable items, and reinforces the investments made in FY 2019. Addressing food bank infrastructure will ensure safe food storage for the future.

Federal Funding

The President signed a Continuing Resolution (CR) passed by the House and Senate on November 21, 2019. The CR continues funding at federal FY 2019 levels through December 20, 2019. The Department will continue monitoring available cash and legislative actions as the federal budget is developed and finalized.

If you have any questions, please contact Kathy Ber, Director of Legislative Services at (602) 542-4669.

Sincerely,

Cara M. Christ, MD
Interim Director

Temporary Assistance for Needy Families (TANF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Child Care Development Fund (CCDF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.

Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.
