Application for Child Care Assistance

Information Needed to Determine Eligibility for Child Care Assistance

The DES Child Care Assistance program offers Child Care Assistance programs for low-income working families, teen parents in high school or GED classes, homeless/domestic violence shelter residents and families who are unavailable or unable to care for their children due to a physical or emotional condition. You **MUST** provide a completed **Application for Child Care Assistance (CCA-0001A)** to make sure your Child Care Specialist can determine eligibility.

The Department uses Social Security Numbers to verify eligibility requirements and obtain necessary information regarding employment status, TANF Cash Assistance case status, Child Support, Unemployment Insurance, and Social Security income. The provision of a Social Security Number is voluntary, and benefits will not be denied or withheld for failing to furnish a Social Security Number.

The checklist below lists items that **may** be needed with your Child Care Application. Please provide any of the documents below that match your family's current situation. **You may contact your local Child Care Office with any questions you may have.**

Proof of Identity for the applicant.

Proof of U.S. Citizenship or Qualified Immigrant Status for all children needing child care assistance.

Copy of your most recent paycheck stub, or current statement signed by your employer verifying the gross wages of your most recent paycheck, frequency of pay and days/hours of employment. Also include verification of tips, bonuses, commissions or allowances and the frequency of payment (weekly, bi-weekly, twice a month, or monthly).

Self-Employment Income and business related receipts (monthly self-employment records or US Individual Income Tax Return with attached schedules from last year's tax return).

Unearned Income (i.e. direct payments of child support, social security income, veteran's benefits, guardianship, foster, or adoption subsidy, loans or cash gifts).

Verification of school attendance for teen parents (under the age of 20).

Verification of Shelter Residency (you must provide a current statement from the shelter specifying the number of hours per day, days per week, and duration of your current shelter required activity).

Verification of Relationship (birth certificates) or Legal Guardianship Documents (when you are *not* the natural, step or adoptive parent of the child(ren) who need care).

Medical Statement (please speak to your Specialist to get the form needed to fulfill this requirement).

Child Care Provider Selection (if you need assistance with selecting a provider, contact Child Care Resource & Referral 1-800-308-9000 or visit azccrr.com).

Notes:

If you, your representative, or any household member hides or provides false information purposely to receive or continue to receive child care assistance that you are not entitled to, that person will be subject to:

- · Criminal Prosecution
- Fines
- Imprisonment
- · Other penalties provided for by State and Federal laws

If you knowingly break these rules and receive child care assistance you are not entitled to we will disqualify you from receiving services for:

- 12 months for the first violation
- · 24 months for the second violation
- · Permanently for three or more violations.

I understand that if I knowingly submit false information or conceal a material fact on the application I may be charged with **FRAUD** pursuant to A.R.S. 13-2311, a class 5 felony. I understand that I will be responsible for all overpayments.

Waiting List Requirements

- When a Waiting List is in effect, priority for services will be given to families with income at or below 100% of the Federal Poverty Level based on the date the application was received by the Department.
- If you are on the Waiting List, you may remain on the list as long as your family continues to meet income and other eligibility requirements, including continuing to cooperate with the Department to re-determine eligibility as requested. Failure to comply with the case review process, or to provide requested verification may result in the removal of your name from the Waiting List. Once removed from the Waiting List, you will need to reapply for child care services. If you re-apply after the review date and you are determined eligible, your name will be added back to the Waiting List effective the date you reapply.

Requirements for Cash Assistance Families in Education/Training Activities

If you are receiving Cash Assistance benefits, and are receiving child care services for education/training needs, you must comply with the Jobs program (if contacted by Jobs) as a requirement for Cash Assistance and child care eligibility. If you are contacted by the Jobs program, you are required to participate in all Jobs activities as assigned. Failure to comply with Jobs requirements may result in a sanction; your Cash Assistance benefits may be reduced, and you may lose child care eligibility.
