

# Vehicle Safety:

# Buckle Up!

## Safety Related Facts

- Vehicle crashes are a leading cause of death during the first 30 years of Americans' lives.
- By wearing seat belts and correctly buckling children into age-and size-appropriate car seats and booster seats, the risk of serious injury and death in a crash can be reduced by half.
- In Arizona, drivers and front seat passengers must wear seat belts. Children always must wear seat belts or be buckled in a car seat/booster seat.
- Every hour, someone dies in America because they didn't buckle up.
