

Attachment 2a Vending Machine Purchase, Installation, and Training Price Sheet

Unit rates are inclusive of all costs associated with the provision of the service including, at a minimum: time spent in the acquisition of parts; salaries; operating costs; staff time; administrative costs; travel time; insurance; and other costs associated with the service provision.

Provide a percentage discount off of the published list price for each vending machine category and product category that the Offeror is proposing. Enter "No Bid" for categories the Offeror will not be providing.

Provide the website with a current published catalog or a hard copy, state the name/date of catalog(s), and attach as applicable.

Labor rates for Installation and Training services may be provided Statewide or by County.

Provide one (1) labor rate for installation services Statewide or the labor rate for each County in which the Offeror is proposing service.

Provide one (1) labor rate for training services Statewide or the labor rate for each County in which the Offeror is proposing service.

Note: Purchase, Installation, and Training are not required during Non-Business Hours.

Enter "No Bid" for County(ies) the Offeror is not proposing service.

The Counties that the Offeror has proposed to serve stated in Attachment 3 Facility Location Chart shall match the Counties that the Offeror has proposed in Attachment 2a, 2b, 2c Price Sheet.
