The Honorable Andy Biggs, President
Arizona State Senate
1700 West Washington
Phoenix, Arizona 85007

Dear President Biggs:

Pursuant to Laws 2016, 2nd Regular Session, Chapter 117, Section 35, the Department of Economic Security submits its Monthly Financial Status Report for fiscal year 2017 for August:

The department of economic security shall forward a monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

The state experienced a moderate increase in revenue levels during the first two months of fiscal year 2017. As reported by the Joint Legislative Budget Committee, through August 2016, fiscal year-to-date state General Fund revenues were \$43.8 million or 12.7 percent above the prior year. Fiscal year-to-date General Fund revenues are \$22.0 million above the enacted forecast. The Department recognizes the importance of maintaining its focus on fiscal stewardship over the public resources used to provide Department services. As a result, the Department is applying process optimization initiatives, such as Lean methodology, to contain expenditures and identify and implement efficiencies.

The Arizona Long Term Care System (ALTCS) has experienced growth above historical trends. ALTCS membership is projected to grow by 4.5 percent in fiscal year 2017. The fiscal year 2017 budget included an appropriation to keep pace with caseload and capitation increases.

The Department continues to experience challenges with Adult Protective Services (APS) caseloads. In order to better manage the caseloads, the Department has ramped up the hiring of APS investigators and is implementing Lean methodology to improve performance and facilitate efficiencies in the investigation process. To address the increase in APS caseloads a one-time appropriation of \$2.0 million from the Special Administration fund was authorized in the fiscal year 2017 budget.

The fiscal year 2017 budget provides \$700,000 in one-time funding to Area Agencies on Aging (AAAs). The AAAs provide non-medical home and community based services for older individuals, including day health care, congregate and home-delivered meals, respite care, and other services to promote independent living. The combination of non-medical home and community based services prevent higher costs associated with increased adult protective service interventions and the need for Medicaid-funded nursing homes.

On September 28th, 2016, Congress passed a measure to continue federal funding through December 9th, 2016. Most discretionary programs are subject to a -0.496 percent across-the-board reduction from federal fiscal year 2016 levels. The federal fiscal year 2016 budget featured increases over federal fiscal year 2015 in the Child Care and Development Block Grant, Workforce Innovation and Opportunity Act, and Vocational Rehabilitation State Grant. The Department will continue to monitor federal legislation to analyze any potential impacts on Department services or fund sources.

The Department appreciates the important work of the Governor and the Legislature in assisting with the growing number of Arizonans in need of the Department's programs. The fiscal year 2017 budget adds necessary funding for caseload growth in clients with developmental disabilities populations, provides a much needed one percent provider rate increase for Division of Developmental Disabilities providers, adds funding for ALTCS dental services, increases resources for vocational rehabilitation services, domestic violence victims and others. The Department remains committed to working with the Governor's Office, members of the Legislature, and other critical partners to address current and forthcoming challenges and opportunities.

The report provides a detailed comparison of total expenditures for the month of August and year-to-date as compared to prior year totals. If you have any questions, please contact Scott Carson, Chief Financial Officer, Division of Business and Finance at (602) 542-3786.

Sincerely,

Temporary Assistance for Needy Families (TANF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development Fund (CCDF). The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Child Care Development Fund (CCDF):

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the Temporary Assistance for Needy Families (TANF) and CCDF Block Grants. The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

Appropriation of Non-Appropriated Funds:

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in DCYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.

Program Description:

The Division for Child and Family Engagement is comprised of two division: the Arizona Early Intervention Program (AzEIP) and the Child Care Administration (CCA). AzEIP is Arizona's statewide, interagency system of supports and resources for infants and toddlers with developmental delays or disabilities and their families. AzEIP partners with community providers and is established by Part C of the Individuals with Disabilities Education Act (IDEA), to enhance the capacity of families and caregivers to support the child's learning and development through everyday learning opportunities. The Child Care Administration is funded through the Child Care Development Block Grant (CCDBG). The purpose of CCA is to assist eligible families with child care costs, enabling parents to participate in employment and specific education and training activities related to employment, or in certain other circumstances when parents are unable to provide care. Additionally, CCA partners with other State Agencies, community partners and stakeholders to improve the quality and increase the supply of child care throughout the State. These partnerships better link the children and families receiving financial assistance to information, services and resources.
