Joint Legislative Budget Committee

Phoenix, Arizona 85007

President Yarbrough, Speaker Mesnard, Senator Lesko, Representative Shooter, and Director Stavneak:

Pursuant to Laws 2016, 2<sup>nd</sup> Regular Session, Chapter 117, Section 35, the Arizona Department of Economic Security (ADES) submits its Monthly Financial Status Report for fiscal year 2017 for February:

The department of economic security shall forward a monthly report comparing total expenditures for the month and year-to-date as compared to prior year totals to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

The state experienced a moderate increase in revenue levels thus far in fiscal year 2017. As reported by the Joint Legislative Budget Committee, through February 2017, fiscal year-to-date state General Fund revenues, excluding urban revenue sharing and one-time fund transfers, were \$206.9 million, 3.4 percent above the prior year. Fiscal year-to-date General

Fund revenues are \$5.7million above the enacted forecast. ADES recognizes the importance of maintaining its focus on fiscal stewardship over the public resources used to provide ADES services. As a result, ADES is applying process optimization initiatives, such as Lean methodology, to contain expenditures and identify and implement efficiencies.

The Arizona Long Term Care System (ALTCS) has experienced growth above historical trends. ALTCS membership is projected to grow by 4.5 percent in fiscal year 2017. The fiscal year 2017 budget included an appropriation to keep pace with caseload and capitation increases.

The approval of Proposition 206 is expected to have an impact on wages for Division of Developmental Disabilities contracted providers. In response, the Executive Budget recommends a \$7.7 million supplemental from the general fund for fiscal year 2017. ADES will continue to coordinate with the Governor, Legislature and stakeholders to address the ongoing needs of the developmental disabilities community.

ADES continues to experience challenges with Adult Protective Services (APS) caseloads. In order to better manage the caseloads, ADES has ramped up the hiring of APS investigators and is implementing Lean methodology to improve performance and facilitate efficiencies in the investigation process. To address the increase in APS caseloads a one-time appropriation of \$2.0 million from the Special Administration fund was authorized in the fiscal year 2017 budget. The hiring of additional staff has prevented caseloads from increasing with continued growth in reports, but caseloads remain above target levels.

The fiscal year 2017 budget provides \$700,000 in one-time funding to Area Agencies on Aging (AAAs). The AAAs provide non-medical home and community based services for older individuals, including day health care, congregate and home-delivered meals, respite care, and other services to promote independent living. The combination of non-medical home and community based services prevent higher costs associated with increased adult protective service interventions and the need for Medicaid-funded nursing homes.

On December 9<sup>th</sup>, 2016, Congress passed a measure to continue federal funding through April 28<sup>th</sup>, 2017. Most discretionary programs are subject to a -0.1901 percent across-the-board reduction from federal fiscal year 2016 levels. The federal fiscal year 2016 budget featured increases over federal fiscal year 2015 in the Child Care and Development Block Grant, Workforce Innovation and Opportunity Act, and Vocational Rehabilitation State Grant. ADES will continue to monitor federal legislation to analyze any potential impacts on ADES services or fund sources.

ADES appreciates the important work of the Governor and the Legislature in assisting with the growing number of Arizonans in need of ADES's programs. The fiscal year 2017 budget adds necessary funding for caseload growth in clients with developmental disabilities populations, provides a much needed one percent provider rate increase for Division of Developmental Disabilities providers, adds funding for ALTCS dental services, increases

resources for vocational rehabilitation services, domestic violence victims and others. ADES remains committed to working with the Governor's Office, members of the Legislature, and other critical partners to address current and forthcoming challenges and opportunities.

The report provides a detailed comparison of total expenditures for the month of February and year-to-date as compared to prior year totals. If you have any questions, please contact Scott Carson, Chief Financial Officer, at (602) 364-2545.

Sincerely,

Henry Darwin  
Interim Director

**Temporary Assistance for Needy Families (TANF):**

Laws 1997, Chapter 300, the Welfare Reform bill, created the Employing and Moving People Off Welfare and Encouraging Responsibility (EMPOWER) program. The passage of federal Public Law (P.L.) 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, included the creation of 2 block grants requiring state legislative appropriation. These 2 block grants are the TANF and Child Care Development Fund (CCDF). The TANF Block Grant replaced entitlement programs such as Aid to Families with Dependent Children, Job Opportunities and Basic Skills (JOBS), and Emergency Assistance. The CCDF replaced a series of entitlement-based child care programs and combined them with the former Child Care and Development Block Grant.

**Appropriation of Non-Appropriated Funds:**

Laws 1996, Chapter 335 converted several Non-Appropriated Funds to Appropriated status, starting in FY 1998. The Child Abuse Prevention Fund has therefore been appropriated since FY 1998 in DCYF. Two other previously Non-Appropriated Funds were converted to Appropriated status in FY 1998: the Child Support Enforcement Administration (CSE) Fund and the Special Administration Fund. Since the Division of Child Support Services was budgeted on a total funds expenditure authority basis in FY 1997, the appropriation of the CSEA Fund does not alter the way it is displayed. The Special Administration Fund was also appropriated by Laws 1996, Chapter 312, and is displayed as a Special Line Item in the DERS budget. The Domestic Violence Shelter Fund was appropriated by Laws 1997, Chapter 210, and is displayed as a Special Line Item in the DAAS budget.

**Program Description:**

The Division of Developmental Disabilities (DD) program provides services to individuals with mental retardation, cerebral palsy, autism, or epilepsy. Clients eligible for federal Title XIX program services are funded through the Long Term Care (LTC) program. Title XIX is an entitlement program in which any individual must have an income below 300% of the Federal Benefit Rate eligibility limit, which is approximately 224% of the Federal Poverty Limit, and have certain functional needs. The division also provides 100% state-funded services for clients who are not eligible for Title XIX Program services. Besides contracting for services, the program: a) operates the Arizona Training Program at Coolidge (ATPC) and smaller state-operated group homes, and b) provides case management services to recipients.
