**Arizona Department of Economic Security
Domestic Violence Shelter Fund Report SFY 2014 (A.R.S. § 36-3007)**

STATE FISCAL YEAR 2014 DOMESTIC VIOLENCE SHELTER FUND REPORT

This report represents data collection under the reporting system pursuant to A.R.S. § 36-3007. In preparing the report, the Department of Economic Security (DES) consulted with the Arizona Coalition to End Sexual and Domestic Violence. The reporting system provides information on the population served, the types and usage of the services provided within the shelter, and the unmet needs of persons receiving shelter.

The amount of \$2.2 million is appropriated from the Domestic Violence Shelter Fund (DVSF), which is 17 percent of the total funds that the DES had available for domestic violence emergency shelters. This shelter fund report is based upon State Fiscal Year (SFY) 2014 information that is available from the DES statewide contractor reporting system.

POPULATION SERVED

The total of adults and children, **8,441**, received services in 32 shelters located in 13 counties. Of the total number served in emergency shelter, children represent 49 percent.

THE SERVICES PROVIDED

During SFY 2014, **290,178** nights of shelter were provided to adults and children. The shelters provided **164,891** hours of case management, individual and group counseling, and legal advocacy. The average length of stay in emergency shelter is 34 days. In addition, **23,467** hotline calls were received during SFY 2014.

UNMET NEEDS OF PERSONS WHO RECEIVE SERVICES

The primary needs across the state are housing, child care, and transportation. Housing needs include transitional housing and stable, affordable housing. Housing and child care were of equal need.
