SERVICE AUTHORIZATIONS IN FOCUS

Target Audience - Qualified Vendors and Providers

Transmittal Date - 01/08/2025

On Wednesday, January 1, 2025, when the Qualified Vendor Agreement (QVA) DDD-2024 became effective, all existing authorizations were automatically associated with the new contracts.

Many existing and some new authorizations span the two contract periods, the one ending on 12/31/24 and the new one beginning on 1/1/2025. Any of these authorizations that require revision or updating by the Division will be end-dated on 12/31/2024 and a new authorization will be entered beginning 01/01/2025. The total number of units authorized will remain unchanged but will be divided between the two contract periods.
