ACTIONS RELATED TO COVID-19 WEB PAGE UPDATES

Target Audience - Qualified Vendors and Providers

Transmittal Date - 01/25/2023

The Division has updated its [Actions Related to COVID-19](#) web page to make it easier for vendors and providers to understand past and future changes to COVID-19 service delivery flexibilities. The Division has consolidated the multiple individual service flexibility tables in the Service Delivery Changes section into a single table. This new table lists all flexibilities that have been approved throughout the public health emergency (PHE) and includes their effective date as well as their end date. Additionally, the Division has archived the “DDD Qualified Vendor and Provider Frequently Asked Questions” document. These questions and answers have been moved to a [Google Document](#) that is available for viewing from the updated Service Delivery Changes section. Qualified Vendors and Providers should reference the updated table in the Service Delivery Changes section in regard to the end of any flexibilities granted throughout the PHE rather than the frequently asked questions document.
