# EVALUATION REPORT/PLAN OF CARE (EVALUATION-POC) FORM

Target Audience - Qualified Vendors and Providers

Transmittal Date - 02/09/2021

In March 2020, DDD released new tools and processes developed for therapy services and throughout the year, the Division has gathered feedback from stakeholders to continually improve and meet the needs of therapy providers. Based on this feedback, the Division has created the [Evaluation Report/Plan of Care \(Evaluation-POC\)](#) form and updated the [Quarterly Progress Report/Plan of Care \(QPR-POC\)](#). Therapy services providers are not required to use these updated forms. The DDD Evaluation-POC form and the QPR-POC are available for Qualified Vendors and Providers who may not have their own clinical forms or access to an electronic medical record (EMR) system. For Qualified Vendors and Providers who opt to use their own forms or EMR, the DDD Evaluation-POC and QPR-POC forms may be used as a reference since they contain the minimally required information. Additional guidance about the Therapy Evaluation and Plan of Care as well as Frequently Asked Questions can be found on the [Division's website](#).
