

2025 AHWGMA Results Webinar

Target Audience - Qualified Vendors and Providers

Transmittal Date - 03/05/2026

As part of its ongoing workforce development efforts, the Division of Developmental Disabilities is sharing information about the upcoming 2025 statewide Arizona Healthcare Workforce Goals and Metrics Assessment (AHWGMA) data webinar.

The AHWGMA survey is a statewide data-collection initiative that gathers workforce information, analyzes trends, and assesses both current and future workforce needs across Arizona. Findings from this assessment help inform strategic planning, funding opportunities, and workforce development initiatives statewide.

Results and key insights from the 2025 AHWGMA will be presented during the webinar. Participants will gain a deeper understanding of workforce needs, identify gaps, and areas requiring additional support to strengthen Arizona's healthcare workforce system.

Qualified Vendors and provider partners interested in learning more about statewide workforce trends and priorities are encouraged to attend. Webinar information is as follows:

- Date: Wednesday, March 18, 2026
- Time: 9:00 am
- [Register to attend using Microsoft Teams](#)
