Transmittal Date - 03/08/2021

Since September 2019, DDD has been working with Burns & Associates and the Human Services Research Institute on a project to improve the quality of services that members receive. The goals for this project are to:

- Promote member self-direction
- Enhance member community integration
- Strengthen the DDD Provider Network
- Create new, better service models

A new, draft Qualified Vendor Agreement (QVA) has been developed with input from stakeholders including Qualified Vendors, members, families and other organizations. All parts of the QVA have been reviewed and revised in some manner as a result of this project, and as such, all portions will be posted for public comment. The Division will host a virtual meeting for all Qualified Vendors and Providers to outline the process they can use to review the documents and submit public comments. **This meeting is scheduled for Thursday, April 8, 2021, from 1:30 p.m. to 2:30 p.m.**
