# PROCUREMENT NOTICE: RFQVA DDD-2024 SUBMISSION REMINDERS & TECHNICAL ASSISTANCE SESSIONS

Target Audience - Qualified Vendors and Providers

Transmittal Date - 05/01/2024

Qualified Vendors who have submitted their initial application between September 1, 2023 and the June 3, 2024 9:00 a.m. deadline and receive a denial, have thirty (30) calendar days from the date of the denial letter to submit a final application, if they still want to contract with the Division. This ensures their final application can be considered.

Here are some examples to clarify how this might look:

- Example #1: An application is submitted on March 6, 2024 and denied on April 10, 2024. The Qualified Vendor may apply a final time no later than May 10, 2024 (30 days from the date of the denial notification) to have their final application considered.
- Example #2: An application is submitted on January 15, 2024 and is “pending” until it is denied on May 1, 2024. The Qualified Vendor may apply a final time no later than June 1, 2024 (30 days from the date of the denial notification) to have their final application considered.
- Example #3: No application has been submitted. The Qualified Vendor may apply by June 3, 2024 and if it receives a denial, must submit a final application within thirty (30) days of the date of the denial letter to have their final application considered.
