# FOCUS CLAIMS SYSTEM PAYMENT UPDATE

Target Audience - Qualified Vendors and Providers

Transmittal Date - 05/26/2021

The Division recently identified an issue with the interface between FOCUS and the State's accounting system (AFIS). This issue prevented clean claims from being sent to AFIS for payment processing. A solution has been implemented that will allow clean claims to be sent to AFIS beginning tonight, Wednesday, May 26, 2021. Vendors should see outstanding payments process over the next few days along with updated billing reports reflecting payment information.
