The 2025 Arizona Healthcare Workforce Goals and Metrics Assessment (AHWGMA) survey is now open and closes on May 31, 2025. This assessment is a statewide data collection tool used to help the Arizona Network by gathering information, analyzing data, and assessing the current and future needs of the workforce. The Division is requesting all Qualified Vendors participate in this survey. In addition to using the collected data to drive future initiatives/projects across the state, the survey also supports the Qualified Vendor Workforce Development requirements as outlined in the [Division's Provider Manual 63](#).
