Take the NCI State of the Workforce Survey by July 31, 2024!

Target Audience - Qualified Vendors and Providers

Transmittal Date - 7/18/2024

Now is the time to complete the National Core Indicator (NCI) State of the Workforce Survey! Help Arizona collect the most representative and impactful data possible on the workforce serving individuals with intellectual and developmental disabilities (I/DD).

Agencies should have already received the survey through an email invitation. They should respond directly online by July 31, 2024.

The NCI State of the Workforce Survey (formerly Staff Stability Survey) is an online survey of provider agencies supporting adults with I/DD in residential, employment, day services, and other in-home or community inclusion programs. The survey captures information about wages, benefits, and turnover of the direct care professional workforce hired by agencies from January 1, 2023 - December 31, 2023.

DDD sends reminder emails for the survey weekly. If you have not received an email, please check your spam folder and/or reach out to NCSurveys@azdes.gov to verify the email address we have on file. Thank you to those who have already participated!
