 - A confirmation email will be sent to the email address registered with the option to add the event as a calendar listing on the user's default calendar application. Users who experience a delay in receiving the email should check their spam folder.

Session Description:

This presentation will provide an overview of the history and significance of the Positive Behavior Support (PBS) approach to supporting individuals, specifically those with intellectual and developmental disabilities. The key features and foundational concepts of PBS will be discussed, along with how these concepts and associated strategies can be applied within various support scenarios that might be experienced when working with individuals with disabilities. This presentation will help identify how to foster success and the overall self-determination for those that need or want support.
