Heat, Medications Resource for Providers from Arizona's Chief Heat Officer

Target Audience - Qualified Vendors and Providers

Transmittal Date - 8/27/2024

The State of Arizona's Chief Heat Officer, Dr. Eugene Livar, recently distributed a resource that provides information on heat-related illnesses for individuals taking certain medications.

The "[Heat and Medications Information Sheet for Healthcare Providers](#)" is important for Qualified Vendors and Providers contracted with the Division of Developmental Disabilities (DDD) to review because it provides potentially life-saving information for the DDD members under their care.

Please download the "Heat and Medications Information Sheet for Healthcare Providers" below and share it with staff members and colleagues.
