REPORT SERVER MAINTENANCE

Target Audience - Qualified Vendors and Providers

Transmittal Date - 09/28/2021

The Division has recently received several reports related to the speed of the vendor report server. This has resulted in vendors being unable to download reports. The Division's technical team has identified a resolution that will be implemented on Tuesday, September 28, at 6:00 p.m. Implementing the fix will take several hours to complete and vendors will not have access to the reports system during this time. Access to the reports system will be restored no later than Wednesday, September 29, 2021, at 8:00 a.m.
