

PROVIDER WORKFORCE DEVELOPMENT TOOLKIT SURVEY REQUEST

Target Audience - Qualified Vendors and Providers

Transmittal Date - 10/31/2025

The Division is seeking feedback from Qualified Vendors to ensure the Provider Workforce Development Toolkit continues to be relevant, practical, and impactful. By completing the Provider Workforce Development Toolkit survey, Qualified Vendors will help the Division understand:

- How often the resources have been accessed and used.
- Whether the resources are viewed as relevant and useful to Qualified Vendors' workforce needs.
- The impact of these tools on recruitment, hiring outcomes, and long-term workforce strategies.

The Division is committed to supporting Qualified Vendors in meeting workforce needs and strengthening recruitment efforts across the state. Earlier this year, the Division published the [Provider Workforce Development Toolkit](#) to provide resources designed to help address staffing gaps, promote sustainable hiring strategies, and connect Qualified Vendors with statewide workforce partners. The toolkit currently includes:

- Pipeline AZ
 - A career platform that connects Arizonans with jobs, training programs, and career planning tools.
