

## **CHAPTER 30 – CLINICAL PRACTICE GUIDELINES**

REVISION DATE: May 8, 2019, 5/27/2016, 4/16/2014

EFFECTIVE DATE: March 29, 2013

The Division of Developmental Disabilities (Division) has developed guidelines for its providers, members, and staff, to use. The Division reviews these guidelines at least annually and uses them when determining medical necessity.

Links to the clinical practice guidelines (CPGs) used by the Division and the Division's contracted health plans are provided on the [Individuals & Families](#) page and the [Providers & Vendors/Resources](#) page of the Division's website.
