The Division of Developmental Disabilities (Division) covers medically necessary inpatient hospital services, provided by a licensed participating hospital, for all members eligible for ALTCS. Inpatient hospital services are medically necessary services delivered or directed by a Primary Care Provider (PCP), a specialist physician, practitioner or dentist. These services are ordinarily furnished in an acute care hospital, except for services in public or correctional facilities, or Behavioral Health settings.

Inpatient hospital services for members include, but are not limited to, the following:

A. Hospital accommodation, and appropriate staffing, supplies, equipment and services for any or all of the following:

1. Acute physical care and behavioral health care
2. Intensive care and coronary care
3. Neonatal intensive care
4. Maternity care including labor, delivery and recovery rooms, birthing centers, and nursery and related services
5. Nursery for newborns and infants
6. Surgery including surgical suites and recovery rooms, and anesthesiology services
7. Nursing services necessary and appropriate for the member's medical condition, including assistance with activities of daily living as needed
8. Medical detoxification and treatment services
9. Behavioral health forensic services
10. Dietary services
11. Medical supplies, appliances and equipment consistent with the level of accommodation
12. Perfusion and perfusionist services.

B. Ancillary Services

Ancillary services include any or all of the following:

1. Audiology services
2. Chemotherapy

3. Dental surgery for members in the Early and Periodic Screening, Diagnosis and Treatment Program (EPSDT)
4. Dental surgery for members 21 years of age and older within limitations as described in Division Medical Policy 310-D
5. Dialysis
6. Laboratory services
7. Pharmaceutical services and prescribed drugs
8. Radiological and medical imaging services
9. Rehabilitation services including physical, occupational and speech therapies
10. Respiratory therapy
11. Behavioral health assessments, and behavioral health therapy (including electroconvulsive therapy)
12. Services and supplies necessary to store, process, and administer blood and blood derivatives
13. Total parenteral nutrition
14. Wound care.

Limitations and Exclusions

The Division covers semiprivate inpatient hospital accommodations, except when the member's medical condition requires isolation.

The Division does not separately cover home-based services, such as Attendant/Personal Care, while the member is in inpatient settings.
