R6-14-504. Special Income Provisions: Sponsored Noncitizens

A. For purposes of determining whether a portion of a Sponsor’s income and Resources shall be used when determining the Countable Income for a Household that includes a sponsored
Noncitizen member or for a sponsored Noncitizen person whose income is considered available to the Household, the following requirements apply:

1. The sponsored Noncitizen member shall:
   a. Be a LPR who meets the NA-eligible Noncitizen criteria; and
   b. Have applied for or been granted LPR status on or after December 19, 1997.

2. The Noncitizen Sponsor shall:
   a. Be an individual and not an organization or group; and
   b. Have signed an Affidavit of Support on behalf of the sponsored Noncitizen member on or after December 19, 1997.

3. When the Sponsor’s spouse resides with the Sponsor, and has also signed the Affidavit of Support on behalf of the sponsored Noncitizen member on or after December 19, 1997, a portion of the income and Resources of the spouse shall also be included for any purpose in this Chapter that requires the income and Resources of the Sponsor.

B. The Sponsor income and Resources shall not be countable when:

1. The sponsored Noncitizen is credited with at least 40 countable quarters of employment, according to 8 U.S.C. 1183(a);

2. The sponsored Noncitizen is a victim of domestic violence or extreme cruelty by a member of the family;

3. The sponsored Noncitizen is a victim of a severe form of human trafficking;

4. The sponsored Noncitizen becomes a naturalized United States Citizen;

5. The sponsored Noncitizen is age 17 years old or younger;

6. The Sponsor is deceased;

9. The sponsored LPR was not required to have a Sponsor, such as a refugee, asylee, Cuban or Haitian entrant;

10. The LPR entered in employment or other nonfamily categories, where the Sponsor did not have to sign the form I-864 or I-864A; or

11. The sponsored LPR is Indigent under subsection (C) of this rule.

C. When the Sponsor’s income and Resources are countable, the FAA shall determine whether the Household is Indigent.

1. When determining the amount of Unearned Income included in the calculation, the FAA shall include:

   a. The actual amount of cash contributions received from the Sponsor;

   b. The cash value of food, clothing, shelter, and utilities provided by the Sponsor; and

   c. The cash value of Vendor Payments made by the Sponsor.

2. When the Countable Income is below 130% of the FPL, the Household is considered Indigent.

3. When the Household is determined to be Indigent, the Sponsor’s income and Resources shall not be counted toward the Household. The FAA shall use only the actual amount of cash contributions received from the Sponsor as Countable Income available to the Household when determining a Benefit amount.
D. When the Household is not exempt from the Sponsor’s income and Resources being counted and is not Indigent, the FAA shall count the income of the Sponsor as follows:

1. Determine the countable monthly Gross Income of the Sponsor:
   a. Calculate a monthly gross Earned Income amount and deduct 20% from that amount;
   b. Calculate a monthly gross Unearned Income amount; and
   c. Add the amounts in subsections (D)(1)(a) and (b).

2. Calculate the number of persons living in the home who the Sponsor claims or could claim as a dependent for federal income tax purposes, including the Sponsor and the Spouse of the Sponsor.

3. Deduct an amount equal to 100% of the FPL adjusted for the family size in subsection (D)(2) from the countable monthly Gross Income calculated in subsection (D)(1)(c).

4. When the Sponsor has signed more than one Affidavit of Support form, divide the amount calculated in subsections (D)(1) through (3) by the number of I-864 or I-864A forms that have been signed by the Sponsor.

5. After deducting the amount in subsection (D)(3) from the Gross Income calculated in subsection (D)(1)(c) and dividing that amount by the number of Affidavits of Support executed by the Sponsor, the FAA shall include the remaining income amount as countable Unearned Income available to the Household.

E. When the Household is not exempt from the Sponsor’s income and Resources being counted and is not Indigent, the FAA shall consider the Resources of the Sponsor as available to the Household. When calculating the value of the Sponsor’s Resources, the FAA shall:
1. Apply all rules and procedures to the Sponsor’s Resources in the same manner as is applied to the Household; and

2. Deduct $1,500.00 from the calculated value of the Sponsor’s Resources. The resulting amount shall be added to the value of the Household’s countable Resources when determining whether the Household meets the Resource limitations.

F. When a Household includes both a sponsored Noncitizen and other members, and the provisions of this Section render the Household ineligible, the FAA shall:

1. Disqualify the sponsored Noncitizen and determine eligibility of the other members of the Household without considering the income and Resources of the Sponsor, and

2. Compute a Benefit amount with the needs of the sponsored Noncitizen member excluded from the computation.

G. Verification and Cooperation

1. The FAA shall assist the Household in obtaining any verification of the Sponsor’s income, Resources, or other information.

2. When the Sponsor verification is not obtainable, the FAA shall exempt the Household from the Sponsor’s income and Resources and complete the eligibility determination.

3. When the Household refuses to provide information needed to determine the income and Resources of the Sponsor:

   a. All sponsored Noncitizens in the Household shall be ineligible for assistance.

   b. The other members of the Household may be eligible if the members meet all other eligibility factors.
H. In addition to the change reporting requirements in Article 9 of this Chapter, the Household shall report:

1. A change in Sponsor or a change in the residence of the Sponsor’s spouse when the spouse is no longer residing with the Sponsor;

2. A change in the employment of the Sponsor; and

3. The death of the Sponsor.

I. Overpayments. The Sponsor and the Noncitizen are jointly liable for any Overpayment caused by the provision of incorrect or incomplete information, unless the Sponsor had Good Cause that would make the Noncitizen solely liable. Good Cause includes:
