Save time and apply online at AtoZArizona. AtoZArizona makes applying for child care assistance fast and easier, and is also available in Spanish.

Save time and apply online in as little as 30 minutes. When you create a login, you can check the status of your application in real time, manage and upload your documents, opt in to receive helpful text messages, and even let us know when you've changed jobs, address, or need to update household or personal information without waiting in line or on the phone.

If you've already applied and want to unlock these features, create a login and hit Link Your Benefits. You'll now be able to track your application through AtoZArizona. 90% of our users have reported it's easy to apply online. Save time, apply and renew online at [AtoZArizona.gov](https://atozarizona.gov). There is currently a waiting list for child care assistance. The waiting list will not affect you if you're already receiving benefits.
