AHCCCS Announces Informational Webinars on Proposed ABA Policy Updates

The Arizona Health Care Cost Containment System (AHCCCS) announces two upcoming informational webinars to share proposed updates to the AHCCCS Medical Policy Manual (AMPM) 320S – Applied Behavior Analysis (ABA) Services.

Each virtual session is tailored to a different audience. The first session is for ABA providers and provider associations. **The second session is geared towards families, caregivers, and community advocates.** The purpose of both sessions is to share key information, answer questions, and provide guidance to help participants better understand the proposed policy updates.

Participants are encouraged to attend the session that best aligns with their role.

Wednesday, April 15 - ABA Providers and Provider Associations

- Time: 11:00 a.m. - 12:00 p.m
- [Zoom Registration](#)

This session will provide an overview of the proposed changes and support providers in understanding:

- The ABA Service model
- Key proposed policy updates
- Operational considerations
- Opportunities for continued engagement and feedback

This webinar is intended to support providers in staying informed and engaged throughout the policy update process.

Thursday, April 16 - Families, Caregivers and Community Partners

- Time: 6:00 p.m. to 7:00 p.m.
- [Zoom Registration](#)

This session will help families and caregivers better understand:

- The ABA service model
- What the proposed policy updates may mean for children and families
- How to stay informed and engaged as the process continues

The webinar will provide an opportunity for the community to learn about the proposed updates and ask questions.

American Sign Language (ASL) and Spanish interpretation will be available for both sessions.
